Make this Year the Happiest of Your Life.

Unfortunately, I cannot sell you happiness—indeed it cannot be bought: but I can help you to achieve it more than you realise. Never in history has dress played such an important part as it will do this year, and I have accordingly purchased a full range of the smartest materials. The most prevailing colours for Men are Cedar, Blue and Silver Greys, all shades in basket weaves, and overchecks, &c., and for Ladies, Mauve, Beige, Pale Rose and Blues in different designs. Styles cut according to build, including two-piece garments. Ladies and gentlemen, insist on British garments from your local tailor. All garments cut on the premises and thoroughly tailored. I will see that you get satisfaction.

Report of the Committee.

To Our Members

In presenting the **Annual Report for Season 1925-26**, the Committee, after most careful consideration, have decided to depart from the customary style of publication, and trust that the innovation in its present form will meet with the general approval of the Members and appreciated as a useful record and reference of the Season just completed.

Financial.

In reviewing the financial position the Committee wish to point out that out of revenue the sum of £1,500 has been paid on account of the contract for re-roofing the "D" and "F" Stands, leaving a balance of £523 17s. od. still owing. Notwithstanding this item of extraordinary expenditure it is pleasing to note that a profit of £176 6s. 1d. has been made during the year. This, undoubtedly, would have been considerably augmented had the weather conditions been more favourable for our home League Matches in the first half of the Season.

Improvements.

The Improvements to the "D" and "F" Stands on the Popular Side were taken in hand and completed during the early part of the season, and the outlay has been amply justified, as the receipts from the covered stands show considerable improvement.

Membership.

It is pleasing to note that our Membership, which still continues its great popularity, shows a numerical strength of 4,079, a record in the history of the club, of which we are justly proud.

Performances of 1st Team.

With reference to the performances of the 1st Team, the Committee regret that the splendid successes of the Season 1924-25 have not been maintained, and the Infirmary, Lancashire and Challenge Cups have all been relinquished. With respect to the latter trophy the team are entitled to the greatest sympathy, for the opinion is universal that the winning of the toss decided the result of the Final Tie at Rochdale, on May 1st. However, the heartiest congratulations must be given to the Team for the record achieved of contesting the Final Tie three consecutive seasons and being successful on one occasion.

Rugby League.

With respect to the position in the Rugby League Final Table wherein the Team finished seventh, compared with fifth the previous season, the Committee attribute the falling away solely to the disastrous time the Team experienced through injuries during matches in the early period of the season, resulting in the disorganisation of the Team, many games, it will be remembered, being completed without our full complement of players being on the field.

The Team has played 44 games in all, of which 25 were Won, 15 Lost, and 4 Drawn, and they have scored 81 Goals, 124 Tries, 534 Points, to their opponents 72 Goals, 78 Tries, 378 Points. The full details of scorers and number of appearances are given on another page.

"A" Team.

It is a great pleasure to record that the "A" Team during the season regained their prestige, lost in the previous season, and they are to be highly complimented on their consistent displays, which resulted in finishing at the top of the Lancashire Senior Competition. The Team played in all 29 Matches, Winning 22, Losing 4, and Drawing 3, scoring 538 Points to their opponents' 173 Points.

The Committee and Members recognise with pride the attainments recorded by the "A" Team regularly season after season, and the following table of their records during the past few seasons will be of interest :—

Season	Position in League.
1919-20.....Northern Rugby Combination.....	3rd
1920-21.....".....	1st
1921-22.....Lancashire Senior Competition...	4th
1922-23.....".....	1st
1923-24.....".....	1st
1924-25.....".....	5th
1925-26.....".....	1st

Ladies' Committee.

The Committee again gratefully acknowledge the services rendered to the Club by the Ladies' Committee through their kind and generous assistance in the organisation of the three Whist Drives and Dances held during the winter months, in addition to which a handsome donation of £50 was handed over by them to the Ground Improvement Fund, the result of their own social functions and efforts to further this worthy object.

Acknowledgments.

The Committee desire to extend grateful thanks to our late Vice-President, James Stansfield, Esq., who, on leaving the town, to commemorate his connection with the Club handed us the handsome donation of £100 to the Ground Improvement Fund.

The Committee also take this opportunity to express their highest appreciation to the Jockey Club for their generous contribution of £50 to the same Fund, and express the hope that these services will be fully maintained until our Ground is equipped with accommodation second to none in the League.

International and County Honours.

Our Members will join with the Committee in tendering heartiest congratulations to Mr. Robert Sloman and Mr. Sidney Rix upon their International Honours, and to Mr. Albert Brough in obtaining County Honours, thereby bringing infinite credit to the Club and themselves.

The services of R. O. Mellor, Esq., Honorary Solicitor, have been again invaluable.

New Players.

The Committee have during the season made many acquisitions to the playing strength, the most notable :—

Fairfax, S. V., Half-back,—*Cross Keys F.C.*
Higgs, A. J., Centre,—*Blaenavon F.C.*
Johnson, A., Centre,—*Leigh F.C.*
Wallace, H., Forward,—*Jed Forest F.C.*
Read, J., Forward,—*Gloucester F.C.*

With reference to the constitution of the Team next season the Committee very keenly realise the important fact that certain positions urgently require strengthening, and the Members are assured that great efforts are being made in this direction.

Marlor's Benefit.

Mr. Rothwell Marlor was granted the Wigan Highfield Match, on October 24th, 1925, for his benefit, an appreciation of his 12 years' engagement with the Club. The Committee desire to place on record "Rod" Marlor's loyal service and the exceptional club-spirit he has always shewn, which gained for him the dual distinction of representing both his country and county with honour. A cheque for £238 8s. 6d. was received by him, and the Committee desire to accord, on his behalf, the heartiest thanks to all Members and supporters for their co-operation.

Trading.

The Committee are justifiably proud of the result of the Year's Trading of the Pavilion, which speaks volumes for the hearty support rendered by the Members. The accounts show the handsome profit of £327 os. 4d., which compares very consistently with the profit in 1924-25 of £339 12s. 11d., and in 1923-24 of £311 11s. 5d.

Junior League.

The Committee are pleased to observe that the Oldham Junior League, of which our colleague, Mr. G. F. Hutchins, is the indefatigable President, continues its activities. The Committee have followed their usual policy of support by making monetary grants where essential, the providing of

Medals for the various Competitions, and the use of the Football Ground whenever possible. The Committee sincerely trust that good results may accrue, and that the many very promising junior players will develop, so as to merit their promotion to the ranks of the seniors at Watersheddings.

Nominations for Scrutineers.

Nominations for Scrutineers must be made by Members on their entrance to the Meeting. Slips will be provided, to be filled in by each proposer and seconder. No Nomination will otherwise be received.

Ballot Papers.

All Ballot Papers to be sent in NOT LATER THAN 5-0 p.m. on THURSDAY, JUNE 24th, 1926. The votes will then be counted and the result declared the same evening at the Pavilion.

R. E. WYLIE,
Secretary.

IF a man buys a Gold Albert during his "twenties" he can rest assured it will last an ordinary lifetime. If he purchases one during his "fifties" it will last him out and render service to his son after him. Not a bad bargain!

The same applies to a good Watch. Oldham people know the "Waltham" and "Limit" Watches—none better—and prices are most reasonable.
