OLDHAM FOOTBALL CLUB

Report of the Committee

To Our Members.

The Committee herewith present the **Annual Report and Financial Statement** for the **Season 1930-31**.
Financial.

The Committee regret to report that the result of the year's working has again been unfavourable. A loss of £443 1s. 4d. is shown as compared with the loss of £462 15s. 4d. for the year ended May 31st, 1930.

Referring to the income of the Club, the gate receipts, ordinary subscriptions and transfer fees have decreased a matter of £1,708 13s. 3d. in comparison with 1929-30. The gate receipts were greatly affected by the compulsory postponement of four of the principal home fixtures in Wigan on December 6th and Hunslet on January 10th, both matches through fog, Halifax on February 28th in consequence of snow, and Rochdale Hornets on February 21st owing to the second round Cup Ties being played on this date. In comparison with the total receipts taken in these four particular matches during the previous season there is a decrease of £524 3s. 6d.

Ordinary subscriptions show a net decrease of £814 10s. 6d. in comparison with last season and the receipts from the Cup Ties, solely attributable to the three memorable matches with Halifax in the third round of the Challenge Cup, are a satisfactory improvement on the previous year's Cup Tie returns.

Membership.

The Committee report that the membership has again considerably declined. The suggestion proposed at the Half-Yearly Meeting held on January 8th last, to offer the unsold members' cards at half-price for the remainder of the season was approved by the Committee. The experiment however, did not prove attractive as only 21 took advantage of the concession.

The following is the table:—

First Team Results.

Our team deserves the utmost credit for the very consistent form exhibited throughout the season. Altogether 49 matches were played of which 33 were won, 10 lost, and 6 drawn. They commenced the campaign on August 25th last at Watersheddings when achieving a victory, for the third successive year, against Rochdale Hornets in the Sir A. J. Law, M.P. Infirmary's Cup Competition. In the Lancashire Cup once again, the team fought their way to the semi-final stage and were certainly unfortunate, through depleted forces, in being defeated by St. Helens Recs at St. Helens by 6 points to 4, our visitors afterwards proceeding to win the

Cup Final. In the Challenge Cup Competition, Widnes and Bramley in the 1st and 2nd Rounds were successfully overcome, to be followed by three epic struggles with Halifax for 3rd round supremacy. Our team first visited Thrum Hall, the result being a draw of 2 points each, an exactly similar score being the outcome of the replay at Oldham. The second replay to be played, in accordance with rule, on neutral ground, took place at Huddersfield, when finally a definite result was attained by Halifax scoring 5 points to our 2. Unfortunately we were not at full strength, the constitution of the side fielded by us being considerably weakened by the absence through injury, of three of our leading players in Stephens, our Captain, Williams and Oster. Halifax finally proved worthy winners at Wembley.

With reference to league performances, the Committee sincerely congratulate the team on their great feat in finishing in the coveted position of the first four, an honour last achieved in Season 1921-22. Swinton, the ultimate League Champions, are the only team who have shown a finer defence with 5 matches lost to 7, and 27 goals, 34 tries, 156 points to 35 goals, 36 tries, 178 points scored against, an excellent tribute to the tenacious spirit of the team. Special comment must be made of the great run of successes in the second half of the season. After losing to Swinton on Christmas Day, 2 matches only were lost, Swinton on Good Friday and York on April 18th, during this period 20 games were played of which 15 were won, and 3 drawn, a truly magnificent record especially in view of the fact that the last 9 matches were played in 18 days. By virtue of occupying the 4th position, Swinton, who finished at the head of the League Table, had to be visited when we were defeated by 16 points to 3. Swinton afterwards being successful against Leeds in the Final.

It is a remarkable coincidence that the three clubs who gave us our quietus in the last stages of the Lancashire Cup, Challenge Cup and League Championship should all attain Final victories. The Committee most heartily compliment the respective champions.

"A" Team.

It has been a matter of regret that the "A" Team has not maintained their excellent form of the previous season when they finished at the head of the Lancashire Senior Competition.

They commenced in a very disappointing manner by surprisingly losing two consecutive home fixtures and this inauspicious start was too great a handicap for the rest of the season. They ultimately finished in the third position in the Competition.

Altogether 29 matches were played of which 18 were won, 9 lost and 2 drawn, scoring 49 goals, 79 tries, 335 points to 40 goals, 49 tries, 227 points.

The Lancashire County Committee have for some considerable time been endeavouring to organise a scheme to create a higher class of football in the Senior Competition and to give the clubs a better list of fixtures, thereby keeping the teams playing on almost every Saturday in the season and consequently giving more encouragement and experience to the junior players in addition to arousing more enthusiasm and support amongst the supporters."

The Yorkshire County Committee have rendered valuable assistance to the project with the result that a new Competition will be held next season and will be termed "The Rugby League Combination." This will be

comprised of eight "A" teams from Lancashire—Oldham, Rochdale Hornets, Salford, St. Helens, St. Helens Recs, Swinton, Warrington, Widnes and seven "A" teams from Yorkshire—Castleford, Halifax, Huddersfield, Hull, Hunslet, Leeds, York.

Our "A" Team will play three of the Yorkshire "A" Teams and the results will count in the Combination League and also the Lancashire Senior Competition. There will be a championship trophy for the winners and instead of the customary medals, watches will be presented to the champions.

Junior Football.

The Committee have maintained the policy of giving the Junior Clubs their whole-hearted support and are pleased that the Intermediate League has been successfully organised. All junior players are now linked up from the Schoolboys' League, then Continuation League, followed by the Intermediate League and finally the Oldham Junior League.

Applications for permission to use the ground for junior games have all had sympathetic consideration and the Committee are pleased at all times to grant this privilege providing conditions are favourable.

Financial assistance has also been rendered to each of the respective Leagues, and it will certainly be of interest to our Members to learn that during the past 10 years a sum of £1 617 2s. 6d. has been expended by the Club in fostering and promoting the Rugby League Code in local junior circles mainly in bonuses to local juniors and compensation to the clubs for these players, donations and gifts of playing outfits to the four respective leagues.

Playing Strength.

The following players have been permanently attached to the register of our Club during the year :—

Bayliffe L., Outside Half—*Alexandra Road F.C. (Oldham).*

Brown, H., Forward—*Saddleworth Rangers F.C.*

Butterworth, W. E., Forward—*Higginshaw F.C. (Oldham).*

Costello, T., Wing Three-Quarter—*Salem Hornets F.C., (Oldham).*

Dobbs, H., Wing Three-Quarter—*Lister's R. U.F.C., (Dursley, Gloucester).*

Lewis, L., Wing Three-Quarter—*Newport R. U.F.C. (Monmouthshire).*

It will be noticeable that four of the acquisitions are products of the local junior clubs.

Honours to Players.

It is very gratifying that five of our players have had the honour of appearing in the representative games. Very hearty congratulations are herewith kindly tendered.

The players referred to are as follows :—

Ashworth, F. W.—

Cumberland v. Lancashire ; Glamorganshire and Monmouthshire and Yorkshire Counties.

Hathway, R.—

Wales v. England ; Glamorganshire and Monmouthshire v. Lancashire, Cumberland and Yorkshire Counties.

Kilpatrick W. J.—
Other Nationalities v. England.

Lister R.—
Cumberland v. Lancashire and Glamorganshire
and Monmouthshire Counties.

Williams L.—
Glamorganshire and Monmouthshire v. Lan-
cashire County.

S. Rix's Benefit.

The proceeds of the home fixture of March 21st with Hull was set apart for the benefit of our player, Sydney Rix, which with donations, collections and sales of postcards produced a nett total of £233 5s. 2d. A cheque for this amount was presented to the player before the Committee on Monday evening, April 27th, Mr. R. Thompson, the President, made the presentation and eulogised the splendid services that Rix had so faithfully rendered to the club since joining on February 8th, 1919. He congratulated him upon having gained during his career, every honour possible for a Rugby League player. The Officials, players and all members of the Club held him in the highest esteem and wished him good luck in all his future undertakings.

Rix gratefully expressed his appreciation on receiving the cheque and said that he would always remember, with pride, his association and the kind consideration he had invariably received from the supporters and every one connected with the club. The result of his benefit match was exceptionally satisfactory considering the conditions prevailing and he very kindly tendered his deepest thanks to the Officials and all concerned for the handsome amount realised.

Pavilion Accounts.

The Pavilion accounts show a profit of £67 11s. 6d. The Committee regret that the result of the year's trading has not maintained the average profits made in the preceding years which is principally attributable to the decreased bar receipts which show a reduction of £333 7s. 8d. in comparison with the previous year.

The following table gives the annual profits made during the past eight years:—
