Report of the Committee

TO OUR MEMBERS,

The Annual Report and Balance Sheet for the year 1935-36 is herewith presented.

Financial

The Committee regret to report that the result of the year's working shews a loss of £392 7s. 1d., in comparison with a profit of £111 8s. 11d. for the previous year. The Gate Receipts amount to £6133 18s. 0d., against £5955 10s. 3d., an increase of £178 7s. 9d. The 19 home league matches produced a revenue of £3849 12s. 3d., compared with £3668 9s. 5d., shewing a pleasing increase of £181 2s. 10d. The nett receipts from our Cup Tie games shew a decrease of £72 0s. 1d. as compared with 1934-35.

The "A" Team Gate Receipts amount to £360 14s. 1d. for 14 home matches in comparison with £393 11s. 2d. for 16 matches played in the previous season.

Members' subscriptions shew a satisfactory increase of £118 9s. 3d.

The exceptional endeavours made during the year to improve our playing strength has incurred an increased expenditure of £1025 10s. 0d., as compared with 1934-35. This, to a great extent, is responsible for the adverse financial result of the year's working, as in all other departments the most rigid economy has been exercised.

Membership

It is pleasing to report an increase in the number of members. The following are the details :—

	1935-36	1934-35
Life Members	111	114
Enclosure Members	164	161
"E" Stand Members	53	64
Centre Stand Members	165	152

Boy Members	51	43

Playing Performances

The Committee regret that the playing records are not satisfactory. The team commenced the season in great style by winning their first five matches, but unfortunately this excellent form was not maintained as only 10 games were won, 15 lost in their next 25 fixtures. The team,

however, rallied in the latter period of the season, winning 8, losing 4 and drawing 1 of the 13 concluding matches.

In the final League Table the team finished 15th, as compared with the 18th in the previous season, 1934-35.

One Trophy was won—the Infirmaries' Cup—upon which our senior players are heartily congratulated. Since the inauguration, in the 1930-31 season, of this annual competition for which Sir A. J. Law, M.P., kindly presented a handsome cup, our team has been successful on 11 occasions against 4 victories secured by our old esteemed opponents, Rochdale Hornets. The whole of the proceeds of these games are equally divided between the Oldham and Rochdale Infirmaries, and as the competing players generously give their services, the funds of the respective institutions have very materially benefitted, a total sum of £5523 12s. 11d. having now been equally divided between the two institutions.

Referring to our Cup performances we won our way to the semi-final in the Lancashire Cup and to the second round in the Rugby League Challenge Cup and in both competitions succumbed to our time honoured friends, Wigan.

"A" Team

Our Reserves, similar to their seniors, commenced the season auspiciously with 3 successive wins, only to be

followed by a disastrous run of 7 losses and 3 wins in their next 10 matches. Then ensued a remarkable change, as from December 28th until the end of the season 12 games were won against only 2 reverses. The team, who eventually occupied the 3rd position in the Lancashire Senior Competition Table, are to be sincerely congratulated on their excellent finish in view of the disappointing results in the first half of the season.
