RUNCORN			

PAVILION JOTTINGS.

Nine Games and still unconquered. The best record of any first class club in the country. *Exceller!*

"The Boys in Navy Blue" from Swinton had a fearful attack of "Blues" at Watersheddings last Saturday. They had even the audacity to imagine that they could win. They never looked like doing it. It was somewhat "hard luck" that they should lose their Valentines. As our Office Boy remarked, "Albert, he was vexed!"

The Oldham supporters will have a chance to-day of welcoming Adam Jardine back again to the first team. Adam expects to make his presence felt in the front rank. He looks in splendid condition.

One of the member's of to-day's Oldham team is being married on Monday. Guess who it is? We have not yet heard the fair one's name, but we understand that she is related to *Mary Port*.

For the Oldham v. New Zealand match, on the 23rd inst., the Oldham Committee have decided to sell tickets for the Centre Stand (including admission to the ground) at 3/- each. No money will be taken at the Centre Stand on the day of the match until 2-15 p.m.; the Stand being in the meantime reserved for Centre Stand Members and the holders of 3/- tickets. It may also be pointed out that Ladies will have to pay for admission both to the Ground and Grand Stands.

Saturday last was the first time ever Swinton had met Oldham in a Cup Tie at Watersheddings.

Oldham are drawn to meet Salford in the Semi-Final of the Lancashire Cup at Salford on the 16th inst. This is the second time the two clubs have been drawn to play at Salford since the present competition was instituted.

After Runcorn, we have a visit next Saturday from St. Helens, who will be coming full of New Zealand tricks; they have discarded the old ones. Our Office Boy has been at it again, and suggests the following as

THIS WEEK'S LIMERICK:

Said the Saints who were sent from St. Helens
 "We may win at Oldham, no tellings;
 If they swallow our pill
 They're sure to be ill,
 And "

Our Box of Beecham's is offered to those who send in the correct missing line. The Box is not guaranteed to be full.
