SUPPORTERS' CLUB NOTES.

On Saturday last, after the Open Trial Match, a successful meeting of the Pontypridd Rugby Football Club Supporter's Club was held in the Stand at Taff Vale Park when fully 1,000 people were present. The Chairman, Mr. Gwyn Rogers, opened the meeting and explained all the advantages that will and can be obtained by being a member of the Supporters' Club. The Secretary, Mr. Bob Lambert, then spoke, giving in detail the main objects of the Supporters' Club, and that the Committee were out to create a brotherhood amongst all followers of Rugby League football, to assist the Club and to help all loyal members to obtain comfort at our ground and other grounds, cheap railway facilities and to be an asset both to the Club and Rugby League football in Wales generally. The Secretary was also supported by the Treasurer, Mr. A. Kiff, who impressed upon all Supporters to honour their obligations re the cheap Member's Tickets which have been issued, and to assist in every way to make the Pontypridd Club a name to be held in esteem and respect by football clubs all over England and Wales. Mr. Tom Mallett, a member of the Welsh Rugby League Commission, and Mr. John Wilson, Leeds, the Secretary of the Rugby League, also addressed the meeting and gave a very amusing speech relative to other Clubs who play our game in the North of England. The Committee of the Supporters' Club are very earnest and hard working in their endeavours especially in extending the membership of the Club, and this week meetings are being held at Caerphilly, Porth, Tonypandy, Mountain Ash, Abercynon and other places so that Sub-Committees can be formed with the main object in view of extending the ranks of the Supporters' Club and increasing its membership. All persons interested in the Supporters' Club and who live in outlying towns or places, should communicate with the Supporters' Club Secretary, Mr. Bob Lambert, 2 Davies Row, Broadway, Pontypridd.
