OFFICIAL NOTES.

Here's wishing every one of our followers a very happy and enjoyable time throughout the football season now under weigh. In times past many of us have shared in the vicissitudes of football fortunes, which seem inevitable to the lot of all clubs. We at Fartown have in turn been through the fire of adversity, and also known the joys of great success; the latter not for one season only, but in such measure as has made our name famous wherever Rugby football is known. Again, with the exception of a few bright patches, we fell upon a period of drabness, and only during the last two or three seasons has our club once more fought its way to the forefront.

Our followers will not need reminding that at the close of last season we were wonderfully successful in not only winning the Yorkshire League, but followed up our leadership of the Northern Rugby League by finally winning the Championship outright in that never-to-be-forgotten final play-off against Leeds at Halifax.

With all last season's players again available, and with added strength secured as the result of our team building efforts, it is not too much to say that our prospects for the present season are very bright.

Our players have proved their ability to 'get there.' Now comes the task of 'sticking there.' Not only so, but to still further aim at the additional honours which successful cup-fighting has to offer.

To go all-out for 'all four' means 'the utmost for the highest.' With this object in view we would say to our players 'the best of luck,' including complete immunity from serious illness or accident.

What our team of 'all talents' accomplished in 1914-15 may be well within the scope of the lads who now wear the claret and gold jersey. Last season found them at the half-way house. Can the journey be fully traversed at this next attempt? Whether or no, we may depend upon our lads playing the game, win or lose, and thus helping to provide clean, healthy sport for Fartown's ever-increasing

OUR NEW RECRUITS.

As much as anyone did we regret that Bradford Northern's financial stress left them with no option but to part with their own local 'star,' Stanley Brogden. We at once got into communication, first with the club, and then with the player himself, and carried the negotiations through successfully early last month.

Brogden's possibilities were realized when at the age of fifteen he became a member of the Bradford Northern Supporters' 14-16 team, engaged in the Yorkshire Inter-towns' League. At the age of sixteen Brogden played his first game with the 'Northern' 1st XIII against Huddersfield at Fartown, and he acquitted himself very well on the wing in that match.

He subsequently not only kept his place in the team, but

became Northern's best back, playing either in the centre or on the wing with distinct credit.

Later on he gained County honours, and ere he reached his present age (twenty) he had become an International player. This, then, is a brief outline of the rapid rise to fame made by the lad under review. Brogden turned out in our last practice match, and unfortunately sustained a twisted knee. Under the expert attention of Trainer Withers, 'Stanley' was soon well on the way to recovery, and we are hoping to have him in the team for this evening's match with Oldham.

Following close upon the above capture came the acquisition of Hector Macdonal Bates, from the Edgeware Rugby Union Club. We had had Bates under observation towards the end of last season, and following our usual custom in such circumstances invited him to play a trial, which he did during our recent practice matches. The result was entirely satisfactory, Bates showing really good

form as a scrum-half. He was quickly signed-on, and played his first match against Halifax at Fartown in the Hospital Cup-tie, when he fulfilled all expectations and had the pleasure of scoring three tries.

Born at Abertillery, Bates is now twenty-two years of age, stands 5ft. 7ins., and weighs 11st. 3lbs. He gained county honours with Monmouthshire, and took part in last season's final Welsh Trials.

We extend to both players a very hearty welcome to Fartown, and hope their term of service will be lengthy and successful.

OUR RESERVES.

It is our intention to place a good side in the field throughout the season. The practice matches showed we have several young players on trial who will give added strength to our team. Bush, a half-back or centre from the Oldham district, showed distinct promise; a remark which also applies to 'Sonny' Walker, one of

our own local lads who, two seasons ago, was shaping well as a centre until an ankle injury caused him to give up the game for a time. G. W. Banks, a brother of Tom Banks, is also on trial, and is a second-row forward possessing weight and speed.

With the exception of Gaskell, Baxter and Dyson (transferred to Batley) we have all last season's players at call. The list of fixtures in connection with the Yorkshire Senior Competition is more complete than for many seasons past. In addition, ordinary matches have been fixed up (home and away) with the reserve teams of Oldham, Swinton and Warrington. Thus a very busy season is in prospect.

We congratulate our reserves upon commencing in a winning vein by defeating Hull Kingston (9—2) at Fartown last Saturday.

premier team had the satisfaction of winning the handsome trophy and also securing the accompanying replicas. The game was thoroughly enjoyed by a crowd of close upon 10,000. It is expected that the entire proceeds will realize something approaching £500. Fortunately the dull morning was followed by a beautiful afternoon, thus ensuring a very satisfactory addition to the funds of the Huddersfield Royal Infirmary and the Victoria Nurses' Association.

We have already thanked the Halifax officials and players for their generous response to our appeal. Our only regret is, having fought so well, the losing side had no tangible reward for the afternoon's work.

Our tries were registered by Bates (3), Williams (1) and Bowkett (1); Brook and Mills kicking a goal each. The ex-Edge-ware scrum-half made a very successful debut.

At the close of the auction of the ball, undertaken by Mr. Hellowell, Sir Joseph Turner, who was the final purchaser, made it

AT HULL.

In being called upon to visit Craven Park for our opening League match we had a stiff proposition to face. The Rovers of Hull rarely drop points on their own ground, but we made the journey determined to wipe out the memory of last season's defeat, and to uphold our name as League Champions. Though not entirely successful we forced the 'Robins' to a draw of seven points each.

An unfortunate lapse in our defence gave them a 'gift' try towards the close of the game, when the score was 7-2 in our favour. When Osborne missed the easy goal kick the match still looked to be ours, but the same player afterwards dropped a goal which proved to be the final score.

The try scored by Williams was the result of a great effort by Bowkett, which gained for him generous applause from friend and foe alike. Brook converted, and also kicked a penalty goal.

With Smart and Brogden not fit for duty, Parker took up the left-wing position, with Brook in the centre.

THIS EVENING'S ENGAGEMENT.

No more attractive opposition could be provided for our opening 'home' match of the season than a visit from our old time friends and rivals from Oldham. The 'Watersheddings' team got well 'off the mark' last week-end, when they entertained and defeated Hunslet by 21 points to 2. This suggests form that will necessitate a big effort by our players if the 'Owdhamers' are to be prevented from securing two Yorkshire scalps within a period of five days. We have not forgotten the great victory secured by Sloman and Co. at Fartown last season, when 'Bob' turned the tide against us by that never-to-be-forgotten dropped goal. Such games as these live in the memory and carry with them pleasant

recollections no matter what be the result. If, this evening, we are privileged to witness another such great match—with our lads this time on the winning side—our pleasure will be unalloyed, and our home season will have commenced in great style.

THIS WEEK-END'S EVENT.

Saturday will find us receiving a visit from York, with another good game in prospect. We shall have more to say in regard to the visiting side in our Programme for the day. Our Reserves will travel to the 'Minster City' and will find the playing area wonderfully improved. We wish our lads 'good luck' in their attempt to record their second consecutive victory of the season.

FOR THE

HIPPODROME.

HERE AND THERE.

Welcome! the Australians. They kick-off on Saturday at Rochdale.

Leeds, Wigan and St. Helens down at the first hurdle.

Over 100 new members have joined the H. C. & A. C. recently.

There's plenty room for more. Roll up and join us this evening.

The new roof on the West Stand guarantees complete security against drizzles, showers, heavy rains and downpours.

Shout as hard as you like, you won't lift the roof.

Harold Young doesn't play cricket. He says 'the ball's too hard.'

Langshaw has returned from Rochdale to Wigan Highfield. He played a great game for his old club against Halifax.
