

JOTTINGS.

WIGAN and Oldham are old opponents in the Lancs. Cup Competition. They first met in the season that the Competition was inaugurated, and Wigan were successful going on to win the trophy by beating Leigh in the final. That was in 1905.

This is the eleventh time the clubs have been drawn together in the Lancashire Cup tourney. Twice Wigan have won after drawing at Oldham. Their biggest score in this competition against Oldham was in the replay in season 1925-26, when Oldham were trounced by 52 points to 3.

The last time the clubs met in this Competition was four years ago, and Wigan won 10 Goals to 0 on that occasion.

Oldham have not been as successful as formerly during the last season or two, though they occupy a higher position in the League table than Wigan.

On Saturday they could gain only one point as a result of the visit of Keighley to Watersheadings. Our former player, Ted Spillane, returned to the Keighley team in that match.

Our team suffered another reverse at the hands of Warrington, who during the past few seasons appeared to have been favoured with any good luck there has been.

Last season Warrington defeated us four times, and as they have won both League games against Wigan this season they may soon be regarding their meetings with us as "easy things."

Jim Sullivan had very bad luck with two very fine efforts at goal; a drop and a shot from a penalty both rebounded from the posts.

On the other hand, Warrington deserve great credit for their wonderful defence.

Twice Morley was stopped by remarkably fine tackles—once by D. M. Davies, and the other by Newton who he suspected to be certain to reach the line.

It was our first home defeat in a long time.

Our next home match is on Saturday, November 4th, when Castleford will be the visitors.
