❧ A Happy and Prosperous New Year to Everybody. ❧

OFFICIAL NOTES.

Here's hoping the New Year will bring with it a continuance—nay, an improvement—in the outlook in trade, which, to many, was happily realised in the Old Year.

May the signs of the revival be increasingly broadened, so that in the near future employment may be found for those whose unfortunate lot it has been to be out of work for a lengthy period.

Should this greatly desired state of affairs be realised, we are confident that attendances at Fartown will steadily improve. While there is much cause for thankfulness in the fact that our 'gates' for the first half of the season are slightly up on the corresponding period of 1933, there can be no question upon the need of still better support.

Our 1st team League record, up to date, is surely very satisfactory, and taken all round we have had many interesting and enjoyable games 'at home.' We do think in this respect there has been a distinct advance upon the first five months of 1933. Readers of our programme will not require resumé of happenings in connection with our playing record or of individual performances.

Full particulars are furnished in the later pages, as usual, so that even 'he who runs may read.'

The pleasing feature of it all is that we can honestly congratulate the members of our first team upon endeavouring to play clean, open football on every occasion, with—more often than not—the ability to win through in the end. And to many of those teams whose visit to Fartown in recent months has meant defeat can we also record our appreciation of the sporting way in which they have continued to 'play the game,' even when well beaten. When this spirit asserts itself in club circles generally we shall see the disappearance of many of the irritating problems which present themselves on the field of play. Deliberate rule breaking will

become conspicuous by its absence, and thus, automatically, the game will be speeded up. To write in this strain may savour of 'idealism,' but, after all, without ideals we cease to strive for the highest.

In passing on to a reference to our Reserves, it is unfortunate that their playing record, up to date, is not as satisfactory.

THE "DOUBLE" AGAINST HALIFAX."

Twelve months ago we had to record a very depressing Christmas, from a playing standpoint. Keighley beat us at Lawkholme Lane on the Saturday, and then followed the double defeat at the hands of Halifax.

The prospect of opening the recent Festive season with a win over Featherstone was blotted out by fog. The match was declared 'off' at noon, as visibility on the Post Office Road Ground was very bad, with little chance of an improvement. Thus, our players had opportunity of meeting Halifax unhampered by injuries. As a matter of fact, the happy position at Fartown was of an 'all fit' nature.

Weddings specially catered for.

How we triumphed over the 'Blue and Whites' on Christmas Day and Boxing Day is now a matter of football history. The first game was won by 8 points to 7. Markham scored both our tries. The first came from a speedy dash along the touch line, while the second was beautifully engineered by Fiddes. Sherwood converted the latter try. We led at the interval by 8 points to 5, Halifax gained a scrambling try close upon half-time for Mills to convert.

The second half did not produce much open football. Play was largely confined to the forwards, and kicking became an obsession by the respective 'halves.' The visiting forwards strove with might and main to pull the game round, but the team lacked speed and finish, else, with the opportunities provided, they may have succeeded. Their new full-back, Mills, registered his side's only score in this period when he kicked a penalty goal.

Pepperell made his debut with our first team in this match, and on the whole he played a good game. The attendance was 12,650, with receipts £627. Unfortunately the day was dull, with rain threatening. At Halifax, so it was stated, heavy rain had prevailed almost up to noon, thus thinning their following.

THE RETURN.

For the Boxing Day event at Halifax it was decided to play Spencer and Richards as halves, to the exclusion of Pepperell. Fiddes was suffering from a cold, but he turned out. Scourfield received a shoulder injury in the first game, and had not fully recovered. Thus, Bowkett was drafted in at full-back. The forwards were unchanged, i.e., Norcliffe, Watson, Sherwood, Tiffany, Fuller and Brindle.

By the way it must be recorded that Watson was the 'hooker' on Christmas Day, thus making his first appearance in the team to the exclusion of Halliday. On the whole Halifax beat us for possession. A much better day favoured the return engagement at Thrum Hall. So much so that, for once in a way, the 'pooling' arrangement worked out to our advantage. The attendance was round about 14,000, with receipts £712. Halifax had Treen in the centre (vice Higgs), the ex-Northampton man making his first appearance since meeting with an injury several weeks earlier. Cox was out of the forwards, and Merritt came in for Cutbush on the left wing.

If the Fartown encounter was strenuous, this second meeting was of Cup-tie intensity. The game suffered in consequence, and was relieved only by occasional flashes of individual brilliance. The ground, heavy in places, was quickly churned up, particularly near the centre. After 20 minutes or so we took the lead, when Fiddes broke through in the home '25' and crossed for an unconverted try. Later Treen kicked a penalty goal. Before the interval Mountain had to come off suffering from a nasty cut over the eye. Standage took a leap in meeting Mountain's tackle, and the Halifax player was lucky that he too was not injured. At half-time the score was 3-2 in our favour.

Play proceeded on keen lines—too keen at times—on the resumption. Brindle went in the centre until Mountain returned 'bandaged up.' We were mostly on the defence, with Bowkett in the last line giving nothing away and bringing off one or two sterling tackles.

At last our score was increased. Halifax were driven back into their '25,' and from a loose 'scrum' Sherwood made ground, and at the right moment passed to Markham, who had come into

the middle. The winger took the ball in his stride, and was over the line before Halifax had time to grasp the situation. Sherwood converted.

Towards the close of the game Shaw scored at the town corner, and this ended the scoring. We thus ran out winners by 8 points to 5. In the matter of possession from set 'scrums' there was little 'in it' the game through.

AT CASTLEFORD.

With Mountain injured and Fiddes laid up with a bad cold, Barrow and Towill came in at centre. It was fortunate that Scourfield was fit, as Bowkett was suffering from a pulled leg muscle. Our forwards were unchanged from the Xmas matches. Castleford were at full strength. The ground was heavy although the afternoon was fine.

Fortune was against us when, with the game in its early stages, Spencer sustained an injury to his back which led to his retirement for the rest of the game. Richards went scrum-half, with Towill outside and Brindle in the centre.

Adams opened the scoring with a 'bluff' try which took us completely by surprise. Lewis failed at goal. The equalising score came when Markham dribbled, gathered and then sent Towill in under the posts. Sherwood failed to lift the ball sufficiently in his attempt at conversion. We went ahead later in this half when Markham raced down the touch-line, outpaced the defence in a fifty-yards run, and crossed far out. Sherwood failed at goal. 6-5 was the position at the interval, as Lewis had been successful with a penalty shot a little earlier.

When Towill scored an unconverted try soon after the resumption we were again well placed. Our lead was reduced when Lewis kicked another penalty goal, but from this point until almost on the call of 'time' our defence heroically held on against Castleford's full weight and strength. Just when everything pointed to a well-won victory against big odds, Castleford were awarded a five-yards scrum. The decision should have been a drop-out by us from our goal-line, based upon what happened the moment before. From this scrum the ball came out to Atkinson, and with two of our defenders colliding in going for the tackle, the home captain got over for the

winning try and Lewis kicked the goal. The whistle sounded immediately for 'time,' and thus we had to retire beaten, but far from disgraced. We congratulate our players upon the splendid struggle.

WELCOME TO OLDHAM.

Although not far removed from the foot of the League table, the past few weeks have shown the Watersheddings side making a big effort towards recovering some of the lost ground. They now come to Fartown having won the last three games 'off the reel,' an indication that we shall be 'up against it' to-day. We are glad to have Oldham here again, win or lose. The last occasion of our meeting was when a couple of 'friendlies' were played in season 1930-31. The game at Fartown was completely ruined by a terrific storm which swept the ground for that Wednesday evening match (Sept. 10th).

In the previous season (1929-30) we had League fixtures with Oldham (on Sept. 4th at Fartown and Sept. 14th at Oldham). The

OUR LATEST RECRUIT.

In securing the services of W. H. Johnson from Newport (Wales) we have brought to a successful conclusion a quest that has been going on since August last. So much has been published elsewhere in regard to our new 19-year-old winger that there is nothing new to add. 'Bill' Johnson was 19 years of age on Sunday last. He stands 5 ft. 10½ ins., and weighs 11½ st. He comes North with a great reputation as a brilliant attacker and a sure defender. 'Stan' Mountain was his centre prior to the former coming to Fartown, so that there is now every prospect that the broken partnership will soon be 'pieced up'—to use a local expression. Johnson is a teetotaler and a non-smoker, and can be trusted to keep himself as 'fit as a fiddle' in his service for Fartown. We wish him the best of luck, with the

hope that both Club and player alike will have cause for continued satisfaction in the transaction just completed.

Our Reserves lost at home a week ago to Castleford Reserves, the scores being 9 points to 3. The absence of Towill and Barrow seriously weakened our back division. Matthews scored our only try from a pass by Royston early in the game. This afternoon we visit Watersheddings for a 'friendly' with Oldham. We hope to field a strong side. One or two of the players who were in the team to meet Castleford Reserves are not likely to be further retained. The number will be increased and new blood introduced unless a big change is forthcoming in the near future. Roberts played a fine game in the above mentioned match, but Demaine was well beaten for 'possession.' The loose forward 'on trial' was not retained.
