OFFICIAL NOTES

Last Saturday. The frost finally proved triumphant last week, despite strenuous efforts on our part to make the field fit for play. Our desire to fulfil the fixture, if at all possible, was the reason for the decision being left so late, the match being called off at 12-45 p.m. by the referee, who declared the ground unfit.

Our New Capture. All eyes this afternoon will be on Jock Anderson, our new wingman from Hawick, who last Saturday scored 2 tries for Scotland in the defeat of the hitherto unbeaten New Zealand Army tourists. A great deal of interesting data concerning our new player has been published in the Press, and in welcoming him to Fartown we are confident that the "Flying Scot" will prove a worthy successor to the great Fartown wingers of the past. Anderson has been spoken of as the fourth Hawick player to come to Huddersfield, but an old supporter assures us that he is the fifth—the first being Albert Stevenson over 50 years ago.

The Cup-ties. The luck of the draw finds our name coupled with that of Wakefield Trinity in what should be one of the most attractive matches of the round. Trinity have remained remarkably consistent throughout the season and their Yorkshire Cup success over us will give them confidence, but we think they will find us a far different proposition on this occasion. Two thrilling games are assured and, with the return to the 3-30 p.m. kick-off, a good crowd should assemble for the first leg at Fartown a fortnight to-day.

Reserved Seat tickets for the game at Fartown on February 9th are now on sale at the Pavilion. Price 5/6 each (including tax).

A Date to Note. Will all members and supporters please book Saturday evening, February 2nd (a week to-day) when we are holding a Grand Dance at the Baths. Particulars will be found on another page and tickets are now on sale. This is a Fartown Special Effort in aid of the club funds and we hope our followers will come and help us to make it a great success.

Our Visitors. Oldham are our opponents to-day and we hope ground conditions will have improved to permit an enjoyable game to be witnessed. In the corresponding match last season Oldham won by
