

Their support of the Leigh Rugby Club proves that Leigh people appreciate any venture which adds to their convenience or enjoyment. That is why "COUNTY MOTORS" service is also achieving such instant and wide popularity. We have given new meaning to those hackneyed words "Service for motorists." Ask your friends.

CLUB CHATTER

We face the stiffest task of the season this evening. To give a grand cup fighting team like Oldham 12 points start is a terrific task, but we face it with the full confidence that if the players' best is good enough then we are hopeful. Our opponents are right at the top of their form and have a sound well balanced team. Last Saturday away from home they inflicted a 15 pts. to 5 defeat on Dewsbury so we don't under rate the opposition to-day.

Our own team completed their hat-trick of victories over the Saints and they gave a grand exhibition. Perhaps Jimmy Pendlebury will have his best goal kicking boots with him—a lot will depend on him. Another big factor will be—Can our pack "Owd Owdam's."

Due to an unfortunate injury to Jimmy Rowe, Peter Riley will be at stand off with Frank Stirrup as his scrum half. Knowing Peter's playing ability we shall be very surprised if he isn't as successful at stand off as he is at the base of the scrum.

There are still some season tickets available and they will be on sale before and after tonight's match. If you haven't got one, then see to it that you get it to-day.

Every effort is being made to strengthen our team. We know the men we want, and when, and if they become available we shall be in the fore front of the bidding. Last Saturday our scouts were out, and a director was at a leading Rugby Union Club watch-

ing a player who had been strongly recommended.

Our 'A' team next Saturday will include two or three players on trial with us, and Cameron will also turn out if pronounced fit.

The Supporters' Club continue to increase their numbers. Membership now totals 1,300 and new members are being enrolled every day. These members have done some fine work voluntarily for the Club and the directors appreciate their work very much.

Finally a word of thanks to the Police who rendered such invaluable help to us at the St. Helens match. They were excellent and did their duty and more. Of course, their work can be made easier tonight if spectators will obey instructions. Let us admit all who wish to see the game. So if an appeal is made to pack a certain part of the ground then please co-operate.
