

THE NEED.

Research shows that 70 per cent. of the population have some eye defect which if corrected would benefit both health and efficiency. Of the knowledge reaching the brain 83 per cent. does so through the eyes which also control 80 per cent. of your actions.

THE RECOMMENDATION.

This practice has increased in every one of its eleven years of existence.

THE REASON.

For the best care and attention the use of modern scientific instruments backed by wide experience and SPECIALISED SKILL is essential.

THE COST

is considerably less than that of your daily paper which without your sight would be useless.

NOTES

A sparkling display last Saturday against Hunslet, notwithstanding a greasy ball. Every man played his part, and our supporters were treated to some wonderful tackling from start to finish. Our win gave us a jump in the League Table from 19th to 15th. We're going up!

To-day, Oldham are our visitors, and we shall try to avenge our defeat on this ground earlier this season. Large, the Lancashire County winger, is showing good form, and good reports of centre three-quarter Harris are to hand.

International Norman Pugh leads the side, and this forward has given fine service to Oldham and Wales. Griffiths, the full-back, has been right in line for International selection this season.

Oldham have always played fine football and to-day's game should see good Rugby. NOW—"COME ON, THE TOWN!"

OUR TEAM

BILLY IVISON

Billy Ivison, one of the most popular of our players, was nearly lost to this club when he played trials in Barrow "A" team. He wasn't considered up to scratch, so their loss is our gain. During the war years he was stationed in the York area and played a number of games for York. He joined Workington in October, 1945. Since that time he has occupied practically every position in the backs. Where the ball is, Billy wants to be, so he was tried as a loose forward early this season and has definitely found his best position. Not yet chosen for his county, his displays this season have put him in county class.
