CLUB NOTES.

Dear Readers,

Much has transpired since our team was last at the Boulevard with Bramley when experiments were made with varying results. First a visit to Huddersfield when conditions were hopeless. Then we had our difference with the players when faced with an obligation to visit Leigh. Our A Team, strengthened by the inclusion of B. Tattersfield, T. Johnson, S. Wilson and Bob Taylor, home on leave, filled the gap. Their performance, on anything but a "fit to play" ground, was a credit to their team spirit.

All differences having been solved, it is to be hoped that some of this "A Team patterned" team spirit will show up in our First Team from now on.

It will be remembered by many how well our team played against Oldham last year when it was the match chosen by the B.B.C. for a visit from Harry Sunderland.

The A Team, of course, are now concentrating on their one ambition—the Yorkshire Senior Competition Championship, which, as they have only lost one match, seems to be well within their grip.

It is anticipated that whilst this print is being set up negotiations are being completed for the transfer to Hull from another Yorkshire Club—and that our team to-day will include a Centre of great experience. We shall see

Saturday next both our teams are away at Swinton and Castleford, and the home game is December 21st v Dewsbury.

Watts, being a last minute invalid, stays out of the team to nurse a chill.
