

CO-OPERATION . . .

MAKES THE BEST TEAM

Football can only be played to win, when there is perfect unison and co-operation between the members of the team, and all are striving for the good of the game.

League Match

SWINTON V. OLDHAM

AT STATION ROAD

Good Friday, 4th April, 1947

Kick-off 3-30 p.m.

Referee : Mr. G. S. PHILLIPS

Linesmen : Messrs. GREENWOOD & ABRAM

INFORMATION

UNFAIR PLAY: AWARDED OR DISALLOWING A TRY.

The referee shall award a try if, in his opinion, one would undoubtedly have been obtained but for unfair play by the defending side, or encroachment of spectators. Or, he shall disallow a try and adjudge a touchdown if, in his opinion, a try would undoubtedly not have been gained but for unfair play by the attacking side. In case of a try so allowed, the kick at goal shall be taken at any point on a line passing through the spot where the ball was when such unfair play or encroachments took place. A player may, for the purpose of getting a try in a more favourable position, pick up a ball lying motionless over his opponents' goal-line.

TACKLED IN IN-GOAL.

If a player when over the goal-line and in possession of the ball be tackled before the ball is grounded, a scrum, five yards from the goal-line, shall be ordered.

CLUB CHAT

A warm welcome is extended to our neighbours OLDHAM on this time-honoured fixture. Christmas Day at the Watersheddings and Good Friday at Station Road remain indelible engagements which we trust will go on as long as the handling code is in vogue. The Oldham team this season has done fairly well—at one time they looked like taking some honours. We know they can play the real type of Rugby League football and they will find our home contingent capable of doing likewise. A good open game is envisaged.

THE WIDNES MATCH.

Well aware of the fact that one swallow, etc., . . . no apologies are offered for the reference to the very good victory at Naughton Park last Saturday. Widnes are well in the running for the first-four honours, and at one time were League leaders. There was no fluke about that "win." It was complete and every member of the Swinton team merit commendation. A continuation of that form will soon get us out of the doldrums of the tail-end of the table.

THE SEMI-FINAL.

BRADFORD versus WARRINGTON.

Again the authorities have decided to stage a big match at Swinton. The gates have never, as yet, had to be closed, and so the holding capacity still remains to be decided. Tickets for the Main Stand are 10/6d., those for the Townsend Road Stand are 5/- (both including tax). Admission to the ground—other than by tickets—is 2/6d. Application for Stand Tickets should be made to the Secretary, Swinton R.F.C., Station Road, Swinton, enclosing remittance plus a stamped addressed envelope. B.M.
