2 HOMES AND 1 AWAY.

Our victory at Wigan on Good Friday and the two defeats at the hands of Warrington and Belle Vue Rangers are difficult to reconcile. In all three games everybody did their darnedest. In fact, win or lose, it has been extremely difficult to pick on any individual player and say that he has not done what was asked of him.

To my mind where we have failed has been when we have been up against an aggressive scrum half. Go right back to the beginning of the season, and we do not seem to have been able to find the right answer to the aggressive half-back. Is the answer more aggressive work by our half-back.

T. Bennett, our full-back to-day, comes with a good reputation. He has not got into tip-top class yet, but that is something that time can remedy. At any rate he looks a footballer and he comes from a good stable.

Johnny Jones has asked to go on the transfer list. If he feels that he will be happier with another team, it would not be fair to stand in his way. But men of his size and speed are not picked up every day.

Our A team is at Oldham to-day and they will be disappointed if they don't win, for they are all out to keep at the top of the League. I can only remember one period when the Saints A team was so enthusiastic. It was when Arthur Kelly took them under his wing. To-day Arthur Cross has got these boys just where he wants them. They will do anything for him.
