## EDITORIAL.

We take this opportunity to wish a Happy and Prosperous New Year to all those who were unable to be with us and receive our greetings on New Year's Day, also to let you know that by the time these notes appear in print, the lease for the new ground should be signed. It has been a long and bitter struggle to secure our own ground and we feel that we can now rely on our grand supporters to make 1948 "The Year." We have got to move quickly and we shall keep you in the picture!

Oldham, our visitors to-day, have a long and honourable history. Founded in 1870 they won the Northern Rugby League (Division 1) in 1904/05, and were again League Champions in 1909/10 and 1910/11. The Rugby League Challenge Cup was won in 1898/99, 1924/25 and 1926/27, the Lancashire Challenge Cup on six occasions and the Lancashire League three times. This season they have a fine side and obtained four out of six points in the Christmas holiday games.

Our boys have the chance to secure their first double this season following our victory of 11-4 at Watersheddings on November 1st, and we hope we shall be able to field our strongest team for what will undoubtedly be a hard game. Let one of your new year resolutions be real vocal support and encouragement for our team.
