Trinity v. OLDHAM CLUB NOTES

It is much to be regretted but we cannot start these notes without a groan and a very big one at that! Need it be said that the groan or heartache originated at Wheldon Lane, on Wednesday evening? And the cause? Our failure to beat Castleford in the semi-final of the Yorkshire Cup, which we had come to regard as our very own! It was truly a dramatic finish, a finish Wakefield did not deserve for they played exceedingly well and we believe everyone who saw the game will agree that they were the better team.

Within a minute of the finish, a successful penalty shot gave Castleford the lead by one point, a lead that was sufficient to make us part with a trophy we had held for three consecutive seasons. There is some consolation in the knowledge that we still have a chance to win the Rugby League trophy.

Unexpectedly we lost at Watersheddings last Saturday. We say unexpectedly because to those who could not make the journey there did not seem to be any reason why Trinity should not win. However, Wakefield finished on the losing side, a happening that was due largely to penalty kicks. We are not crying over the defeat but it lead more than us to think that perhaps the Rugby League game could be improved, if in some way, tries could not be so easily wiped out by successful goal kicks!

CLUB NOTES—CONTINUED

We had prepared ourselves to say that on October 23rd there is Halifax "A" at Belle Vue and that on October 30th, instead of entertaining Workington, we should be otherwise engaged in the final of the Yorkshire Cup but we cannot make that announcement now! Things remain as they were before Wednesday—Halifax and then Workington at Belle Vue.

Through the medium of this programme we should like to be able to tell you of some of the "soundings" constantly being made by officials of the Club in the quest for players which has taken several members of the Committee away for weekends over a distance of many miles. No news does not mean that there is no activity. You will appreciate, however, that a certain amount of secrecy is necessary in such matters lest someone else steps in and takes what our representatives have found.

Increasing wages and production costs have made it necessary to make an increase in the price of the programme. The next issue will be 3d instead of the present twopence. We trust you will continue to support us. As soon as is possible, the price will be lowered again.

And last but not the less sincere, a hearty welcome to our friends from Oldham.

TRINITY SCRAPS

"Trinity" couldn't "Old - ham."

Who wants to be a half-back? — Goodfellow, Fletcher, "Trinity," Jenkins, Williams, "Leeds," Banks, "Huddersfield," Bradshaw, "Wigan," and Ward "Bradford," just a few on the injured list.

"Len Marson" must be about the best "hooker" in the "Rugby League."

He was far ahead of the "Australian hooker" and he beat the "England hooker"—("Egan of Wigan") to a frazzle.

"Who is Nobody's Darling?"—a "Football Referee."

"Maxim of a lot of players today"—"Rules are made to be broken."

This week's QUIZ—"What is the weight of a Rugby Football?"
