Established 1863

After playing 240 minutes football in the Yorkshire Cup Competition our "line" still remains intact. This, surely, is an achievement of which we can be proud. Victory was certainly delayed to an uncomfortably long period of the game with Keighly last Wednesday, but the Bramley team throughout the whole of the match appeared to be slightly superior to the visitors and we believe that our supporters thoroughly enjoyed the game. Owing to injuries we had to make important team changes, but the combination proved to be a very workmanlike side. It was a pleasure to see Dave Bennett once again in the Bramley colours after his long absence and we trust we shall see him on many, many, more occasions.

It is 20 years since a Bramley team last appeared in the semi final of the Yorkshire Cup. That is a long time, far too long, and now that the ice has been broken steps will have to be taken to ensure that the ice is never allowed to get as thick again. We have never appeared in the Final, but with a little bit of luck, who knows? our name might appear in the pages of history this year, for the first time.

Owing to injuries we are having to rest both Pickering and Jewitt in our match with Oldham to-day. Both of these players declared themselves not 100% fit last Wednesday, but we took the risk and fortunately it came off.

Baldwin and Rock have now reported themselves O.K. and providing massuer George Taylor verifies this, they will make a welcome return to the side to-day.

Personality No. 3

STANLEY PICKERING

This 22 year old, 12 stone 8 lbs. stand-off or centre threequarter, is a most popular member of the team. As a schoolboy he played 4 seasons as centre for Buslingthorpe and during that period they won the Burton Cup. After leaving school he continued playing football with Buslingthorpe Vale and All Souls, winning the Leeds and District League and Cup in 1943.

He joined the Bramley Club in October 1948 and it was very evident from the start that he had great possibilities. Although he has not yet played for the County, he has been selected as a reserve on a number of occasions and his actual inclusion in the team cannot possibly be long delayed. Tipped for international honours.

Laws of the Game—PLACED OFF-SIDE—A player is placed off-side if the ball has been kicked, touched or is being run with by one of his own side behind him. A player can be off-side in his opponents' in goal, but not in his own, except where one of his own side takes a free kick, behind his goal line in which case all his own side must be behind the ball when kicked.

Late Flash—Bad news, Stan Pickering fractured or broken bone in wrist. Out of game at least 3 months.
