## Salford v. Oldham

Saturday, Nov. 25th, 1950. (Kick-off 2-30 p.m.)

### OFFICIAL NOTES

Our visitors from Oldham to-day are having a good season. They have gained some notable victories, beating Workington at Workington in the Lancashire Cup and winning at St. Helens a fortnight ago. We believe that if the Reds show the form displayed at Workington we shall more than hold our own to-day.

Misfortune again dogged our footsteps last Saturday. We played against a very strong wind in the first half and turned round 7—2 behind. It looked as if we would pull off our first away win, as immediately on the resumption we stormed the Workington line and Danby and Grainger were held a foot short. The home team then had a breakaway and Pepperell was running hard on the left faced with Glyn Moses and attempted to jink inside. Moses did the only thing possible, reaching out his arm, and Pepperell collided with his shoulder, and to everyone's amazement Referee Dobson sent Moses off. With one man short, Ivison and Pepperell came more into the game, and although Salford struggled hard the handicap was too much.

In connection with Tommy Harrison's Benefit, the Supporters Club are endeavouring to collect a Mile of Pennies. Arrangements have been made with the Police to run this mile in various streets round the ground, from Wortley Avenue, Kennedy Road, Willows Road, Chandos Grove, Gore Crescent and Edward Avenue.

Our next home match is against Barrow "A" on Saturday, December 2nd, 1950, kick-off at 2-30 p.m.
