CLUB NOTES

Seldom is it that we open a season when everything seems ideal for a perfect campaign. Sometimes it has been a case of injuries; in other years, there have been difficulties with players. This time, the disappointments are in neither category. For one thing, we had hoped to secure a new player-coach, but so far the Directors have not been able to make an appointment, though we shall do so at the earliest opportunity.

Another disappointment has been the unexpected set-back in the plans being made for our club to stage the first match of the New Zealand tour at Lawkholme on Saturday, September 15th. According to the Press, the tourists' departure has been delayed, and they are not due to reach our shores until September 16th. So our fixture will have to be cancelled, along with the plans for a civic reception and dinner. We can say that in its place on that day there will be a friendly match against Ystradgynlaif, the Welsh club.

The hard tasks which the team have had to face in its opening games have certainly not been conducive to a successful campaign, especially seeing that the weaknesses apparent towards the close of last campaign have not been remedied. We know them as well as any supporter, and we intend to do what we can to meet them within the limits of our financial position. A continuance of the support given us last year, plus all the extra we can get, will give us that encouragement we need. Keighley has a reputation for triumphing over its difficulties. We shall do so again, and we are confident that a successful campaign lies ahead.

Welcome to Oldham to-day. They are among the most popular Lancastrian visitors to Lawkholme, and usually provide a capital display with the issue in doubt to the end. That may be expected to-day.

Wilson and Joyce, the Normanton players, who played in the recent trial game, have been signed for trials.

CLUB SECRETARY'S NOTES.

At this, our first home game of this Season, the Directors, Players, and Staff, take this opportunity of welcoming you and of having your support for this 1951-52 Season.

The Club's sincere thanks go to those many members who have responded so well to the plea of early ticket buying. To those collectors whose services to the Club and to their own members were given entirely voluntary, and without payment, we are grateful.

SUPPORTERS' CLUB NOTES

The Annual General Meeting of the Keighley Rugby League Supporters' Club was held on August 7th, at the Albert Hotel. The Chairman, Mr. A. Nelson, paid tribute to the Press for the publicity and help we have received from them in the past year. Mr. Nelson expressed regret at the small number of supporters present, and hoped that at future meetings more people would attend and see what the work being done was about.

The Secretary, Mr. J. Carroll, reported that for the first time since the Club was re-formed in 1945, the Committee remained unchanged throughout the season.

The Treasurer, Mr. T. Lund, presented a Receipts and Payments Account for the year ended June 30th, 1951, showing that receipts amounted to £590 6s. 2d. (not including monies from Stand mats or the Ship Halfpenny Scheme, which are being allocated to the Stand Appeal Fund), and that payments for ground improvements, repairs and alterations, printing and advertising, etc., amounted to £435 4s. 5d. This figure does not include charges for concreting done this summer, which will be shown in next year's Balance Sheet. In view of Mr. Lund's recent ill-health, Mr. H. Kirkley was appointed assistant treasurer.

It was agreed that the membership fee be reduced from 2s. 6d. to 1s., and an all-out effort be made to enrol at least 1,000 members.

Thanks were expressed to the Ladies' Section for their work in the past season. It was stated that although expenses on equipment for the refreshment hut had been heavy, the Ladies' Committee started the new season with a small balance in hand.

JOIN THE SUPPORTERS' CLUB TODAY!

FEE - ONE SHILLING PER ANNUM.

"The Directors of the Keighley Rugby League Football Club wish to express publicly their thanks and appreciation for work and services done by this very active organisation."

E. THOMAS, Secretary.
