EDITORIAL.

The last home game when we beat Featherstone has put us all in better heart and showed that our lads have got the right stuff in them. There is nothing to worry over the defeat at Wigan last week; it was not as bad as it looked from the score and our players will profit from their experience with mature and outstanding opposition. The Wigan game was notable in that not once were trainers called on to the field for injuries and also for the absence of penalties.

Let us hope that to-day we shall see another good open and clean game with the same absence of injury to players. While we want to win, the most important thing is the provision of good sport. If we can provide this we feel confident that we shall see an ever increasing number of supporters of the game in Liverpool.

Since our last home game we have signed an Australian, Beythen, who had his debut with the "A" team last week and promises well. There is another signing in the offing. It is gratifying to report that Davin and Leyland have started training again and that Dearden has recovered. Todd, unfortunately, has got some trouble with his knee and will be missing for a week or two.

Brown who broke his leg at Whitehaven is now at home in Wigan and going on well. He was looked after very well while in hospital at Whitehaven. Thinking that our lad would be lonely after the accident, supporters and Whitehaven team members visited him in a constant stream taking him food and comforts. Thank you Whitehaven! Your kindness is much appreciated in Liverpool.

NEXT HOME GAME:

Sat., Oct. 20th — CITY "A" v. WIDNES "A"

Sat., Oct. 27th — CITY v. WARRINGTON

CHOCOLATES FRUIT DROPS

SPOTLIGHT ON VISITORS.

Our visitors to-day will come to us with their tails up after their victory against Warrington and other successes they have had this season; they will be very keen to add two more points to their bag, and will therefore certainly put all they know into this game.

Goldsbain, the captain, who was secured on transfer from Hull Kingston Rovers is a Welsh International and is coach to the team, he is the boss and sees that things are carried out well otherwise there is trouble. Ganley, who was an amateur last season, has recently been promoted from the "A" team and is filling the roll of full-back very well; he is a good goal-kicker and a B.Sc. of Manchester University.

Mitchell is a local Oldham lad who has given his club great service during the last 14 seasons. Keith is a native of Hunslet, reserve hooker for Great Britain and an excellent player. O'Grady, the baby of the team being only 17 years of age, is the fastest man and has a great future ahead. Leyland is an older brother of Ken. in our "A" team.
