OFFICIAL PROGRAMME OF THE LEEDS FOOTBALL CLUB

CLUB NOTES

WELCOME TO OLDHAM. This afternoon we entertain Oldham in the Second Round of the Rugby League Challenge Cup and we look forward to a tip-top game. According to all reports, Oldham have a greatly improved side, and recent cup performances against Hull have aroused tremendous enthusiasm at the Watersheddings. Their team appears to have a good blend of youth and experience: Ganley, a reliable full-back and goal-kicker; a more than useful three-quarter line with the experience of Mitchell in the centre and the youthful dash of O'Grady on the wing; a very good pair of halves in Daley and Stirrup; and a lively, aggressive pack with Day, Goldswain and Winslade outstanding in the loose, whilst Keith, a Leeds boy, is a capable hooker.

The Leeds team will certainly have to give of its very best this afternoon if we are to have any further interest in the Cup Competition, but they go into the game with every confidence, knowing full well that performances similar to those shown against Warrington and Wigan at Headingley a few weeks ago, should be good enough to dispose of Oldham. Ground advantage is an important factor, and good fortune has certainly smiled on us once again in this respect.

THE LEEDS RUGBY LEAGUE SUPPORTERS' CLUB. It is with very great pleasure that we place on record two extremely generous gestures by the Supporters' Club.

Last Saturday they took 170 boys and girls to York on the occasion of the Leeds v. York match. This is the second venture of this type, for last season Warrington was visited. The cost of the trip was borne by the individual branches of the Supporters' Club. The party left Leeds in four coaches at 10 a.m. and, of course, the weather was perfect for such an outing. On arrival in York the party was taken round the Castle Museum, then for a pleasant stroll through the ancient city. Lunch followed at the very impressive Assembly Rooms, and then came the match. The Officials of the York Club had reserved a special enclosure so that these excited youngsters could see the game in comfort. The only blot on the occasion was the fact that the Leeds team did not oblige by winning. Thanks and congratulations are due to the Vice-Chairman, Mr. Steel, and his efficient band of stewards for the excellent organisation.

Further evidence of the enthusiasm and generosity of the Supporters' Club came with the news that sixteen Branches had each given a tubular steel chair to the Headingley Boys' Club. This gesture is indeed greatly appreciated by the Board of Directors, the Committee and Management, and all those directly connected with the Boys' Club, certainly not least the boys themselves. The intention is to fix a small name-plate to each chair showing the name of the branch concerned: Sussex Tavern, Morley, Milford W.M., Headingley, Woodhouse Recreation, Cardigan W.M., George Hotel, Hall Road W.M., Bridgefield Hotel, Meanwood W.M., Horsforth, West Leeds, Burley Liberal, Alexander C. and I., Lord Raglan, Burley and Kirkstall.

Playing Strength. It will be seen from the above records that the "A" Team is having a highly successful season, in spite of the fact that 45 players have taken part in the matches. As a result of the policy which has been adopted, the Club now has the services of many promising young players in the "A" Team, in addition to several members who have had a fair amount of first team experience. Some of these young players are at present serving in H.M. Forces, but as their periods of National Service terminate a wealth of young talent will become available to the Club.

Recent Signing. The Committee and Management were successful in obtaining the signature on professional forms, of Jeffrey Stevenson, in spite of competition from Warrington and other senior clubs. Stevenson, who had a very successful game for the R.A.F. *versus* the Navy, at Twickenham, on February 16th, was signed immediately after his game at Dishforth, four days later, when he played for his Unit team. Whilst in the services he has played at scrum-half, but it is hoped that we shall be able to develop a very good pair of half-backs with Pratt at scrum-half and Stevenson at stand-off. They played together for Yorkshire County Schoolboys in those positions, and were extremely successful. They played as a pair too, for one of our Junior teams and showed exceptional promise.

CONGRATULATIONS. Our sincere congratulations are offered to Bernard Prior on his excellent First Team debut at York last Saturday, when he obtained slightly more than equal possession from the scrum. Well done, Bernard !!
