Cheetham for Swinton.

Eddie Cheetham has found a new home. He signed on for Swinton on Monday night, and will probably be playing on the wing against Wigan tonight. It was a disappointment to many of our supporters that with his speed and physique he had never seemed able to fit in with our first team. He goes to Swinton with good wishes for his future.

On our way.

After the hard fighting at Salford and Barrow, the Saints found the going somewhat easier last week.

In the first half against Barrow they were on the top of their form, though perhaps not quite as magnificent as they were in that quarter of an hour at Barrow, when their opponents could not find an answer to their moves.

SUPPORTERS' CLUB NOTES

COACH VOUCHER TRIP. The coach organisers wish to make the following statement regarding Coach Ticket Vouchers which were issued on most away trips last season. These now have cash value, and it has been decided by the Committee of the above club to organise a trip to the Blackpool Illuminations for Sunday, September 28th, 1952. The cost of a seat on this trip can be defrayed, partly or fully, by these vouchers. The closing date for booking seats is September 13th, after which date Vouchers 1951/52 season will become invalid. Seats can be booked with the Coach Organisers in the Canteen after the Oldham and Workington matches. Also any queries can be answered then.

We want to break our Membership record. Will you help us.

Committee men are on duty at all entrances enrolling new members and re-registering old members.

Beaten nowt.

Saturday was quite a day for the Saints. The first team at Liverpool City won by a margin of 42 points to 2; the second team at Barrow won by 16 to 9 and entered the second round of the Lancashire Shield competition; while the "B" team won their first game by 11 points to 8 against Sutton St. Anne's.

The Saints supporters are still being annoyed by the "critics" who harp on the old theme "They've beaten nothing yet." Well, this is how the Saints previous opponents won on Saturday. Widnes with a score of 25 points, Barrow 24 points and Salford 35 points. If these lads were no good when the Saints beat them, they must be quick learners.

However, after this week's games no one will be able to tell us that we've met nothing, for in Oldham and Workington we have two of the toughest propositions in the league.

The Oldham club in the last two years has been steadily improving and their policy of giving a chance to young players, especially if they can and will run, is paying a dividend.

With the exception of young Winslade who is missing from the second row, Oldham have out the team that has been doing so well. Davies and Platt were the Lancashire wing against Cumberland last year and gave a very good account of themselves in the first half.

Little is another young player who seems to have a brilliant career in front of him.

The long sequence of wins is not surprising to anyone who has followed the team's steady improvement.

Saturday's Game.

We can think of no greater fillip to the enthusiasm of the Knowsley Road crowd than to see our lads escape from the grip of Workington who have been getting the better of the typical cup-tie contests between them, in which the odd points have determined the result. On Saturday we are hoping to see a display of open football with the Saints still showing the skilful handling which has so far marked their play.
