Rolls Royce and Austin — Seven-Seater Limousines for all Occasions

Wigan were mastered fairly easily in last Saturday's game, and it is doubtful if Workington supporters have ever seen a Wigan team so devoid of ideas and ability to open out the game. Victory was gained at a heavy price when injuries were sustained by Albert Pepperell and Jack Thomas which may keep them out of the game for a considerable period.

Albert Pepperell has torn an Achilles tendon, which necessitated an immediate operation, while Jack Thomas has a slight fracture of his neck which will require a plaster cast for a period. Both players are in the Workington Infirmary. Cruel luck for two of our most wholehearted players, and it is the wish of all supporters that they make as speedy a recovery as is possible under the circumstances.

To-day's visitors from Oldham have been going great guns this season, and succeeded in holding the powerful Aussies to a 7-7 draw last week. Ex-Cumberland R.U. player Little has made a name for himself in his first season with the Oldham club, and his appearance to-day will create a great deal of interest. Others in the public eye in a spectacular team are half-backs Stirrup and Daley, 17-years-old international winger O'Grady, and Welsh international forwards Day and Goldswain. This should be a great match this evening.

The "A" Team were defeated for the first time this season on Saturday by Wigan "A" 13-11. Ralph McCarten had a try disallowed in the closing minutes by a touch-judge's intervention after the referee had awarded the try. Tough luck for the second string, and for the record, the Wigan supporters voted it the best "A" Team game at Wigan for seasons.

To-day's victors go into the semi-final of the Lancashire Cup, so let's have the roar in good volume—"UP THE TOWN!"
