## CLUB NOTES

**TO-DAY'S VISITORS.** This afternoon we extend a warm welcome to our friends from Oldham and, remembering that wonderful Second Round Cup-Tie last season, we look forward to a thrilling game. The League match played at Watersheddings three weeks ago gave Oldham a well deserved victory, but we confidently expect to turn the tables to-day.

**CONGRATULATIONS.** We offer our sincere congratulations to:

"Drew" Turnbull on his selection for the Great Britain team which meets Australia in the First Test at Headingley next Saturday.

Bernard Poole and Arthur Wood on being selected to play for Yorkshire against Cumberland at Workington next Monday.

These honours are richly merited and we wish the players concerned every success in these representative games.

**RECENT MATCHES.** Leeds v. Hunslet. This game resulted in a convincing victory for our team. There were many pleasing features: the greatly improved team-work shown by our players; the devastating bursts of speed by "Drew" Turnbull; the craftsmanship revealed by Frank Watson at the base of the scrum; the dominance achieved by our forwards, who not only gained ample possession in the tight, but also mastered the Hunslet pack in the loose; the fine display given by Gordon Brown on the left wing. **Leeds v. Warrington.** Well played Leeds! Although they were deprived of victory, our players gave a magnificent display. Again the team-work was of a very high order, and had it not been for one or two unfortunate lapses, we might well have gained two valuable points. The backs combined well, and the forwards were a power both in the tight and in the loose.

Ted Verrenkamp, born in Brisbane on 16th July, 1927, was introduced to the Rugby League game at Baroda Boys' School, where he gained City and State honours as a school boy. From 1943 to 1947 he played with Southern Suburbs (Brisbane) R.L. Team, and during that period he played at stand-off for Queensland in inter-state football.

Ted's first game for Leeds was played at Headingley on 24th January, 1948, when Oldham were defeated by 26 points to 5.

He tells me that the most memorable game in which he has played was that between Leeds and Wigan at Headingley in January, 1950, when Leeds won their Second Round R.L. Cup-Tie by 7 points to 2. Ted played on the left wing in this game, and it was his perfect, well-timed pass which sent in Dicky Williams for the only try of the match. A report of this thrilling game, played in snow and slush, says that "Verrenkamp's speed and resolution made him the supreme winger."

I have many fine memories of this lion-hearted player, for on numerous occasions his determined running and tackling, and his displays of "guts," have thrilled the crowds and rallied his team. Teddy never knows when he is beaten, hence his "never-say-die" spirit and his courageous displays.

He has proved himself to be extremely versatile, and whilst at Headingley he has played on both wings, in the centre and at stand-off.

One of Ted's best displays on the wing was at Headingley on 12th February, 1949, when Batley were defeated in the First Round of the Rugby League Cup. On that occasion he scored two splendid tries on the left wing. Eight months later, when York provided the opposition, he ran in four more tries in splendid style.

When Dicky Williams toured Australia in 1950, Ted deputised for him at stand-off and had many excellent games. Two of his finest displays in this position, however, were given against Dewsbury and Huddersfield. The former game was played at Headingley in 1948, and Ted scored two brilliant tries within four minutes to change the whole complexion of the game. The Huddersfield game, played at Fartown in April, 1950, resulted in a defeat for Leeds, but reports of the match say that Ted had a memorable game at stand-off and "stole all the honours."
