TRINITY v. OLDHAM

The Oldham team has been doing well this season, is holding 5th place in the R.L. Table and is also standing well in the Lancashire County League. It would appear that its defence is the best in the league for it has only conceded 71 points, the lowest points against total.

—VISITORS—

Here are brief notes of their players likely to be on view.

Ganley. Full back. Ex-Manchester University boy. In his third season with the Club, secured from a Leigh junior club, scored over 100 goals last season. Selected for Lancashire last season but had to refuse owing to injury.

Emmitt. Wing. Glamorgan County player. Recently secured from Bridgend R.U. Club. Very fast. Has just come into the first team.

Mitchell. Centre. A local boy with twelve years service, but still on the right side of 30 years of age, a good solid club man.

Davies. Centre. Secured from a Leigh Junior Club, has made rapid strides, only 19 years of age and has played for Lancashire County twice, reserve for the County on 19th November against the Australians.

Warham. Wing. Secured on transfer from Swinton four seasons ago. Not much of him but he can run. Top try scorer last season with 25 tries. Native of Warrington.

O'Grady. Wing. The baby of the team, 18 years of age. International and County player, very fast and at present top try scorer.

Daley. Out half. In his third season with the Club, secured from Leigh. Only showed his true form last season and has good understanding with his scrum half, Stirrup.

Stirrup. Scrum half. Lancashire County player. Originally with Salford and one of the best buys the club has made. Always scheming and can open out play with the best. A native of Leigh.

Feather. Scrum half. Recent addition to the Club from Leeds, has done very well as deputy to Stirrup. A good utility player.

Ogden. Forward. A local player, with twelve years service. Is taking a benefit match this season.

Anthony. Hooker. Has been chosen deputy to Keith the regular hooker and is adapting himself to the position. A Welsh Rugby Union International prior to joining Oldham five seasons ago.

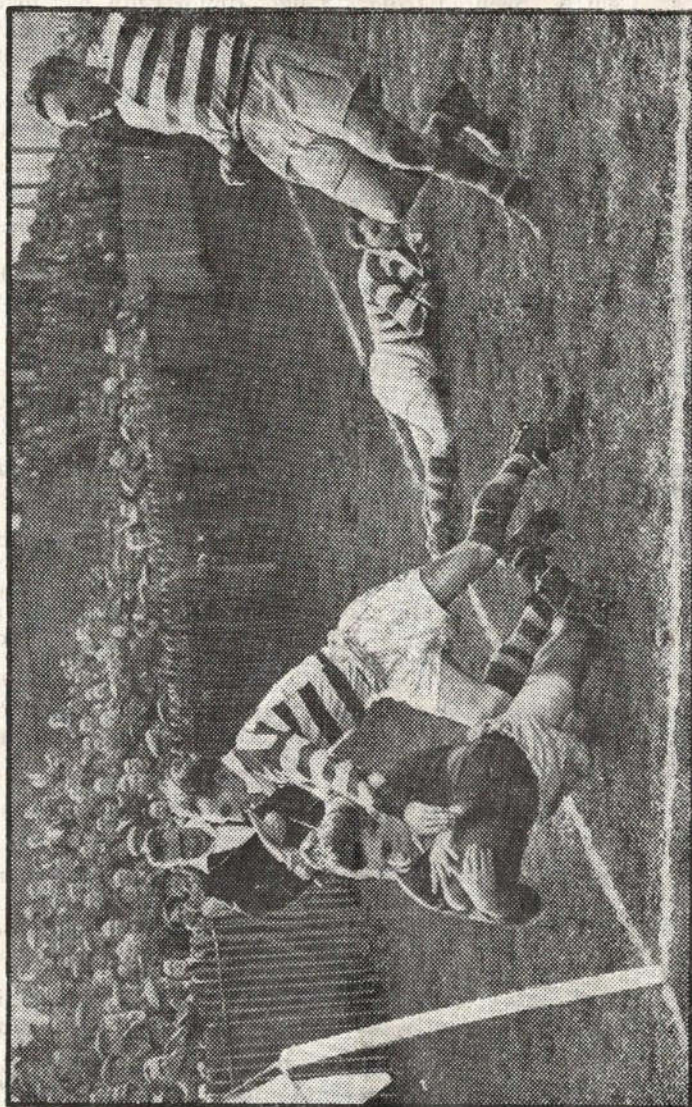

Tomlinson. Forward. A native of Warrington and signed on from a local junior club there. In his fourth season and has migrated through the hard school of "A" team football.

Winslade. Forward. A Welshman from Maesteg. R.U., 20 years of age and has played for Wales R.L. twice.

Little. Forward. A Cumbrian, but was secured last February from Harlequins R.U. Club. Cumberland County R.U. and R.L. player, a strong and big forward. Studying at present at Manchester University.

Day. Forward. Secured on transfer from Belle Vue Rangers, in his third season, has just recently been capped for Wales R.L. team.

Goldswain. Forward. Captain and player coach, has played for Wales on many occasions and is the present Captain. A great tactician, and the brains behind all the "moves" of the team.

—SPECTATORS—

Please Refrain. The Committee regret that tendencies to barrack a player were noted in a recent "A" Team match. It is earnestly hoped that this will not be continued.

—GOAL-POSTS—

After a careful watch had been kept on our goal-posts during the last two years the gale of nine days ago took a hand and settled the issue. The broken post has been replaced, but it has been decided to erect an entire new set. This work will be commenced on Monday.

AULD ACQUAINTANCE

Signed for Trinity 1928 and remained a Trinity man until retiring from the game in 1947. One of the best of the many grand Second Row forwards who have played for us. His partnership with Bill Horton will long be remembered as one of the most effective in Trinity's story.

"Mick", as he was generally known made several appearances for Yorkshire, played for England against Wales and against France, and toured Australia in 1936.

From a career so long and varied there must be many interesting stories he could tell. The one that comes most easily to his mind has, nevertheless, a very domestic touch. It concerns the Wembley 1946 R.L. Cup Final.

"We are chairing our captain, Billie Stott, shoulder high with the R.L. Cup across the field to the supporters on the far Stand. There's a tug at my pants and, looking round, I find my 12 year old son Michael. He has been put over the railing and, evading the police on duty, has run across the field to get to me.

"His eyes are full of tears. When I ask him why, he replies, 'Because you have won the Cup'. I can't help saying to him, 'If that's it, whatever would you have done if we'd lost it?'"

G. H. FXLEY

Photo: 'Yorks. Evening News'

Since his retirement from football 'Mick' has been a regular follower of his old team and a Vice-President of the club. Present address—Black Swan Hotel, Normanton. Incidentally, congratulations to him on his 41st birthday to-day.

—THE SCHOOLBOYS—

This afternoon we also welcome to Belle Vue, ground conditions permitting, the Oldham Schoolboy team and officials. These 'friendly' contests between the schoolboy sides of Oldham and Wakefield have been part of each season's programme for the last twenty years apart from the interruption caused by the war. Oldham play in the Lancashire League and Wakefield, of course, in the Yorkshire League, so that it is only through this mutual arrangement that these games are played. We are glad that the very cordial relations which have always existed between the Oldham and Wakefield Schoolboy Committee's have been strengthened as the years have passed by, and we are equally pleased masters from each town who were originators of this interchange of visits will be able to resume old associations through their presence at Belle Vue to-day

The teams are:

OLDHAM: Lyons Hardy Pemberton Kenway Riley Drierley Ratcliffe
Nelson Denham Lawton Anderson Henshaw Geany Worrall.

— PROMISE —

Soon the Wakefield Schoolboys will be engaged in the annual competition for the Yorkshire Shield. Their opponents will be CASTLEFORD, HUNSLET, LEEDS, and HULL. The results of the 'friendly' fixtures in which they have taken part so far this season suggest that Wakefield will again be strong Challengers for honours. Here is their record for the season up to the present:

At Dewsbury:	Wakefield 8	Dewsbury 2
At Oldham:	Wakefield 16	Oldham 5
At Doncaster:	Wakefield 25	Doncaster 10
At Leigh:	Wakefield 13	Leigh 2

Four away wins, with 62 points scored against 19—a splendid start.
