NOTES AND COMMENTS

Warrington put up a stout front last week and although they kept the margin down to one point, our victory was thoroughly deserved and ranked as a fine tonic after the cup-tie failure.

We have had many fine games now with the Warrington boys but they do not find a happy hunting ground up here.

Now for a welcome to Oldham, who have been unfortunate on other dates in finding the weather against them. Storms and frost have put our games off at other times, but we hope to steer clear of everything but sunshine to-day.

This will be Oldham's fourth visit and our boys expect that they will be making the return trip still without having won at the Recreation Ground. Once they gave us a close call by forcing a draw, but with last week's form still in mind we don't expect to have that experience again.

We are all confident of improving our position in the league table but it cannot be done without first class team spirit, skill and hard work. On top of all that we look forward to better support and take the opportunity of reminding everyone of the interesting matches in the near future.

Note that H. Harrison, wing threequarter, was placed on the transfer list at his own request.

SUPPORTERS' CLUB NOTES

After last week's defeat of Warrington the team will face Oldham with confidence to-day and should register another victory. It was disappointing to read of the "A" team's performance at Warrington in view of the fine position they had previously attained in the league.

Our Whist Drive at Kells last week proved to be a grand success and we will be organising another on the same lines in a week or two's time. Look out for further announcements. Meanwhile our weekly drives continue on Wednesday evenings at the Co-op. Hall. So let us have your support.

I must once again add to my remarks of last week when I mentioned the misuse of the ladies' lavatories, and ask once again that all gentlemen refrain from using this building. It is strictly private and for ladies ONLY.
