PROGRAMME NOTES — WEDNESDAY, AUGUST 26th, 1953.

Although we have collected only one point from our first two League games we feel it will not be long before the efforts of our "team building" will be shown to better advantage.

It is obvious that it will require a few matches for the players to blend together and we are not able to field our strongest team before Saturday.

Ken Cluderay, our County forward, makes his first appearance this season in to-night's match and our "full back" signing, John Wilson, will be available against Salford.

We have received word from Roy Harding, who quite recently joined the Forces, that he also hopes to be available for Saturday. It is probable that he will be stationed at Padgate.

Oldham, who are our visitors this evening, are one of the strongest sides in the Rugby League. Last season we sprang the surprise of the day by beating them at Oldham. Dare we hope for a repetition?

"The seating tickets for the Rugby League Cup Final are always sold many months prior to the match taking place, and we are taking this opportunity of letting our supporters know that tickets can now be reserved. At the moment you have a free choice of all tickets. If you do not take this opportunity of reserving tickets now please do not complain if, later in the season, you cannot obtain the tickets of your choice.

"All tickets reserved must be paid for by January 1st, 1954, otherwise the reservation is cancelled.

"Apply to The Secretary, The Rugby Football League, 180 Chapeltown Road, Leeds 7, for tickets at the following prices:—

25s. 0d., 12s. 6d., 10s. 6d., 6s. 6d., and standing enclosure tickets at 3s. 0d.

"A stamped and addressed envelope should be sent with applications."

Your Party will be a great success if Catered for by
