OFFICIAL PROGRAMME OF THE LEEDS FOOTBALL CLUB

TO-DAY'S VISITORS This afternoon we extend a warm welcome to the Oldham team and officials, and we look forward to a good game. Our last three meetings have resulted in victories for our opponents, and we hope to avoid conceding another "double." No doubt many of our supporters will recall that wonderful game in the Second Round of the R.L. Challenge Cup, in February, 1952, when our players came out on top after a tremendously thrilling struggle.

RECENT MATCHES

Leeds v. Warrington. Our players hit top form in this match, and whilst some of Warrington's defensive work was weak, it is certainly true to say that the Leeds play was brilliant, featuring splendid backing up, clever handling, strong running and determined finishing. That devastating spell just before the interval, when our players scored thirteen points in the "twinkling of an eye," will long be remembered. This was "vintage" rugby, and Warrington were only as bad as our players made them appear. Well done, Leeds!!!

Leeds v. Leigh. We congratulate our players on their splendid rally at Leigh. Just before the interval, the scoreboard showed a deficit of eleven points, but a smart try and neat conversion brought the half-time score to 9-15. In the second half, our players added 19 further points, whilst Leigh could only increase their score by one try. Ralph Morgan had a great match and he certainly saved the game with his consistently fine goal-kicking; and then the whole team, showing commendable spirit and stamina, rallied to the cause. The forwards were magnificent, with Arthur Clues, Billy Blan and Bernard Poole combining splendidly. Other victories there certainly will be, but this one at Leigh will always be memorable.

Leeds v. Bradford Northern. Defeat at Odsal came as a great disappointment to players and officials alike, especially in view of the fact that it followed so closely on our performances
