CLUB NOTES

The luck of the draw having favoured the Town this season gives us an opportunity of having an attractive match this evening, for Oldham are always welcome visitors to Borough Park. We more or less look upon this club as one of our own. This may be due to the number of Cumbrians who have played for Oldham during the past 55 years.

It is a well known fact that the first time the Oldham club won the Rugby League Challenge Cup in the Season of 1898-99, the late Tom Fletcher was the star of the team, playing in the centre threequarter position. Then they had the prince of goal-kickers in Joe Ferguson who joined the club in 1899-1900, and played for them for 24 years. They never won the Cup again until the first year after he retired, which was an irony of fate for him. Then they had that most erstwhile player noted for his deadly tackling, Joe (Muller) Owens. Another Cumbrian that rendered yeoman service to the club was Billy Dixon of Maryport, a prominent stand-off half, he will be seeing his old team in action to-night.

Then there is the man from Workington, Jimmy Parkinson, who has been a player and president of the club. At the present time they have no less than three true-born Cumbrians on the Committee, Joe Coulthard, Fred Ashworth and Jack Lewthwaite, the latter being the son of the late Joe Lewthwaite, a native of Maryport, who was domiciled in Leeds for

a long number of years. He was one of the most ablest legislators of the game that ever sat on the Council. Whenever Cumberland beat Yorkshire Joe used to say, "I don't know whether I am pleased Cumberland has won or sorry Yorkshire has lost". We can look forward to seeing a keen game to-night for cup-ties are always hard-fought games. Our one hope is that the home side will win and reach the final stage of the Lancashire Cup for the first time in the short history of the club. We would love to see Billy Ivison "up in arms" with the Lancashire Cup in his hands.

Give the boys plenty of vocal support and you can rely on them giving of their very best to see you all get a run to Swinton on Saturday, 23rd October.

Let it be—UP THE TOWN, TO-NIGHT.
