SUPPORTERS CLUB NOTES

We are glad to be able to welcome followers of the Oldham club to-day and hope that they will not leave Hull without coming to our Club-house for refreshments.

Remember that we are open at the Airlie Street end of the ground before and after the game, and at half-time, for tea and sandwiches, and with our fully-equipped bar.

The "gate" at the Wakefield match must have caused the club management some worrying moments — such a poor attendance when both Rovers and City were away from home hardly indicates that there is any great enthusiasm for the Rugby League code in the Hull area! We do not think that this is true, and there must be many thousands of people who dearly love the game — but their enthusiasm can only be shown in a practical way by the cash coming through the turnstiles. To find only a bare 5,000 people here on a lovely Spring afternoon is most discouraging to the directors, staff and players. Surely we can do better than that?

We hope that there will be a good following to the "away" games to be played in the rear future — the first being at BATLEY on Easter Monday.

Don't forget YOUR programme to-day! There are two "lucky numbers" both carrying free Stand Seat tickets for the next home game. If you are a "regular", remind your pals to make sure of THEIR copies at each home match. On the last home date of the season, group photographs of the team will be given instead of the usual prizes.

W. A. (for H.S.C. Committee).

CLUB NOTES HULL v. OLDHAM

Saturday, 9th April, 1955

Kick-off 3 p.m.

WE ARE GLAD TO WELCOME to the Boulevard to-day, along with their supporters who are said to be following the team in considerable numbers, our Lancashire friends from OLDHAM. Contenders for the Championship, and in a position which makes a place in the "play-offs" certain, Oldham, with their convincing win over Wigan last Saturday, made their record into 26 wins and one drawn game out of the 31 games played. Oldham's big win over Wigan at the Watersheddings ground last week has virtually assured them of a home game in the semi-finals, although it is important to them to win every possible game in their remaining fixtures. It is significant that members of their Board of Directors were at the Boulevard last Saturday, presumably to assess the strength of the opposition they have to face to-day, a sure sign that Oldham regard their remaining games as being of paramount importance. (Yesterday, while we met Hull K.R., Oldham were at Swinton).

The Wakefield game produced some entertaining football and but for a little careless defence late in the game no doubt the win would have been by a more convincing margin than the final score of 24-16. Colin Hutton was in good form with his goal-kicking, and still has an outside chance of again reaching his century of goals. The injury to Roy Francis, which kept him out of the game after the first ten minutes, was a severely cut lip which required stitches. With only 12 players our team showed some clever touches and no doubt the second-half particularly satisfied the spectators, with Wakefield taking their share of the honours. One was left with the impression that if the Belle Vue team could get together instead of being a collection of individualists, they would be a powerful force. Certainly we have seen few centres move as did Bell and Mortimer last Saturday, but there was a sad lack of cohesion about the side. It was particularly good to see the form of our new Lancashire recruit Tom Finn, who not only had two tries but revealed some clever moves. Tom is to be married during the "close" season and will no doubt be settling down in Hull in the near future.

To-day's Visitors

The strong all-round combination from Oldham have had a most successful season, although like ourselves they were disappointed in their County Cup Final when they were beaten by Barrow, and when fancied for a Wembley place, also fell on the way, being beaten at Leigh in the second round. A

NOTES—continued

recent injury requiring an operation to full-back Ganley deprived the team of their leading goal-kicker, although Bryn Goldswain, the old Rovers' forward, has taken on the job with considerable success. Their three-quarter line, with Alan Davies, Cracknell and O'Grady having 31, 20 and 23 tries to their credit up to last week-end, is a formidable attacking force, and other backs in Barrow and Pitchford have 12 and 16 tries respectively. Ganley heads the goal-kickers with 88 successful shots, but would no doubt have been well beyond the century mark but for his prolonged absence through injury.

In the pack Oldham are renowned for their strength, and both in the scrum and the loose they will prove a hard set to master. We are glad that Bryn Goldswain, after a severe injury in a recent game at Workington which was reported to threaten his future career in the game, has made a great recovery and is back in action once more. His leadership means a lot to his side. Few sides can boast the power of the wingers Cracknell and O'Grady, both Internationals and the latter a member of the 1954 Touring side, and the centre-play of one of the game's most promising backs in Alan Davies, another International.

Attendances

Recent letters to the local Press have revealed that followers feel that new blood should be sought — probably we all agree, but to find new players of proven ability means finding hard cash — and who could say that last Saturday's "gate" which produced only £438 (gross) is a satisfactory figure on which to start making plans for strengthening the playing staff? There was no counter-attraction in the district, and yet (in addition to Season pass-holders) only 4,000 adults and 780 juniors and O.A.P.'s turned up to watch the game under what must have been the best weather conditions of the season so far!

four games at the Boulevard. Three will be Schools' League finals, and the afternoon will end with a junior game, probably between our under-17 side and Hull Boys' Club. Please roll up and encourage these young players!

On EASTER TUESDAY the "A" team will meet Keighley "A", with the kick-off at 5-30 p.m. It is appreciated that this is not a public holiday in this area, but these fixtures have to be played and we hope that a good attendance will be possible now that we have persuaded our visitors to agree to start the game in the evening.

Curtain-raiser

We hope to welcome to-day in a curtain-raiser against our "B" team, a side from the Coldstream Guards stationed at Pirbright Camp in Surrey. As they have been put to considerable expense in travelling so far, it is hoped that there will be a generous response to their collection after the game to-day.

All followers of the club will be sorry to hear that Harold Bowman, the old International forward, is seriously ill, and this has caused the withdrawal of his son Keith from the 1st team in recent weeks. We wish the old stalwart a speedy recovery.
