OFFICIAL PROGRAMME OF THE LEEDS FOOTBALL CLUB

CLUB NOTES

TO-DAY'S MATCH. This afternoon we extend a warm welcome to the Oldham team and officials, and we look forward to a good game. Last Saturday Hunslet gained a notable victory at the Watersheddings so we may rest assured that our opponents will be all out to get on the winning track. But we, too, are equally determined to avenge that League Championship Semi-final defeat which we sustained last April.

There have been many memorable games with Oldham on these grounds, and no doubt many of our supporters will recall that thrilling second round Cup-tie in 1952 . . . leading by 10 points to 2 at the interval Leeds seemed to have the game well in hand, but Oldham attacked almost incessantly throughout the second half. Following a penalty goal from Ganley, Warham scored a glorious try under the posts and Ganley's conversion brought Oldham to within a point. Two minutes later Dunn increased the lead with a fine goal, but Oldham pressed more strongly than ever as Goldswain, scoring four reasonable chances of penalty goals, whipped up his men for one final effort. But Leeds held their ground with Jimmy Dunn, then only eighteen years of age, playing like a veteran, whilst Dennis Scholes miraculously pulled down Warham with the line only two yards away, and Leeds went into the 3rd Round with a victory by 12 points to 9. **Leeds v. Bradford Northern.** Whilst this match could in no way be described as a classic, it was certainly a tip-top game with plenty of action. Although our players were none too convincing before the interval they staged a grand second-half rally when Jimmy Dunn met with his unfortunate injury. It was good to see the devastating tackling, strong running, and improved backing up. Our forwards paved the way to victory with excellent work in both the tight and the loose. **Welcome.** Officials, players, and all associated with the Leeds Club extend a very warm welcome to Billy Blam. All at Headingley are delighted to see him wearing the "Blue and Amber" jersey once again.
