CLUB CHAT

We are very pleased to have Oldham again in our League fixtures and welcome them most heartily to Clarence Street this afternoon.

Their last visit was on Boxing Day, 1950, when a 6—5 win compensated for a heavy defeat earlier in the season at Watersheddings.

Since then both sides have changed materially in personnel, and, strange to relate, our opponents did not have their first League success this season until last Saturday, when they had an 18—3 victory over Warrington.

Our five League games have brought us four wins and our position in the League table is a very satisfactory one.

Over a long period Oldham have been one of the leading Lancashire teams and for several seasons they have had an excellent leader in Goldswain, who was formerly associated with Hull Kingston Rovers.

Recently Goldswain handed over the leadership to their centre, Davies, and in the forwards he has been joined by another Kingston Rovers player, Turner, who was a colleague of our Frank Moore at Craven Park.

This makes today's match all the more interesting, and we are certain our patrons will witness another entertaining game, one quite up to the standard of our last two encounters with Whitehaven and New Zealand, which were both won.

It was most gratifying to us to have above an 8,000 crowd at Clarence Street for the visit of the tourists, and we should like to see this attendance maintained and even exceeded, as our team's displays have merited.

Johnny Robinson, our popular New Zealand half-back, came to Clarence Street in December, 1951, and his first home game was in an "A" team match on Christmas Day, after which he played in the senior side for the first time at Huddersfield on 5th January, 1952.

He scored 14 tries in season 1952-53, 15 in 1953-54, and six last season before going on a holiday to his native country. Now he has returned to continue his services with us.

His many friends were glad when he was chosen for Other Nationalities in representative matches, an honour well deserved.

JOHNNY ROBINSON.

PERSONAL

THE BUCKLES INN,

on the Main Road, half-way between TADCASTER and YORK.

CECIL REDHEAD, Proprietor.

Telephone: YORK 637711.

Ladies and Gentlemen,

Are you looking for a COMFORTABLE PLACE with a nice atmosphere where GOOD FOOD and DRINK is served in a pleasant manner? Well here it is! Only 5½ miles from YORK and 4 miles from TADCASTER, on the main dual carriage-way.

Here you are assured of a cheerful welcome at all times, and you will gather from the following paragraphs that we are interested in catering for your every need. MORNING COFFEE between the hours of 10 and 11 a.m. is served in our most attractive and air-conditioned Lounge, which, overlooking the garden, affords a most pleasant break until our Bars open at 11 a.m. for those wishing to partake of SAM'S NOURISHING ALES, or any other drink which suits their palate.

Between the hours of 12-30 and 2 p.m., perhaps you would care to stay for a good home-cooked LUNCHEON in our very light and cheerful dining-room, or from 4 until 5 p.m., have AFTERNOON TEA in the Lounge. Sandwiches can be obtained at any time.

If you should fancy a nice, cooling drink on your journey home our Bars are re-opened at 5 p.m., and here you will find the same pleasant atmosphere.

Numerous people have enjoyed our HIGH TEA served between 5 and 6 p.m., but for those who would rather eat between 7 and 8-30 p.m., our DINNER would please the most fastidious.

Dancing (no charge), SIX NIGHTS per week to George Crossley at the Hammond Organ. Sundays, light organ music.

Music is relayed to every room and it can be enjoyed with your drinks in

THE BUCKLES INN

at ASKHAM RICHARD up to 10-30 p.m.

Yours sincerely,

CECIL REDHEAD (Late Leeds and Bradford).
