OFFICIAL NOTES...

The last fortnight has brought some improvement in our position and with wins over Hull and Barrow the confidence of our players should be rising. Although Barrow are by no means the team they were they are still difficult to beat at Craven Park and this was their first home defeat of the season. They are at present a strange mixture of experience and youth, and unfortunately some of the more experienced players are getting somewhat too long in the tooth, while some of the youngsters are only just beginning their first-class career. Players like Dawes, Skeels and Woolveridge may yet develop into good players, but as yet they are well short of that vital experience. On the other hand players like Castle, Horne and Grundy, although bringing all their wide experience to bear on the game are now getting to the stage when eighty minutes seems an awfully long time. On the other hand our team is still young, but most members of it have plenty of first-class football experience behind them.

Again last Saturday's effort was a team win with every man in the side doing something towards gaining the vital two points, but it would be amiss if Billy Boston was not mentioned for three simply magnificent efforts two of which resulted in tries for himself and the other, a very vital try, for Mike Sullivan. The effort that brought Sullivan's try was at a most crucial stage for we were losing 10-5 after twenty minutes play. Billy took the ball from a scrum on his own side of the field, and made a remarkable cross field run before sending Mike in at the corner. Fred Griffiths kicked a great goal to make the scores level and from then on we never looked back. It was very nice to win away for the first time since October 4th, and we must hope that this is the forerunner of many more away victories. We have now won nine matches and lost six and lie tenth in the table, five points behind Hunslet who are in fourth position. Generally speaking, a club must not lose more than ten matches to gain a place in the First Four, so we have a terrific task ahead. To win nineteen out of the next twenty-three matches is some performance, but that is what we have to do to gain a place in the Play-off. There is no doubt that if our team settles down, as we all know it can, we can certainly come close to achieving our object. The last two weeks must have given our players and supporters a new enthusiasm and we hope it can be kept up with a first-class win to-day.

OUR VISITORS

Oldham as usual hold an enviable position having lost only two League games, and having recently won the Lancashire Challenge Cup for the third year running. They are certainly the outstanding team of the last two or three years, and are always a delight to watch. Apparently, however, they have lost some of their rhythm over the last fortnight for they have lost at Salford, and then last Saturday could only overcome Leeds by the odd point at the Watersheddings. They have been hit by injuries to forwards, and their star loose-forward Derek Turner is still under suspension and will not be playing to-day. Sid Little has also been out of action but returned to the team last week. Generally speaking, the Oldham team are a team in the truest sense of the term for their backing up and combination are second to none. They have a powerful pack with Charlie Winslade a really outstanding forward. Why he has not had more honours in the game is a complete mystery to the writer of these notes. In the back division they are not really as well served although Pitchford and Davies are great players by any standards. Young Kellett at stand-off half has come on by leaps and bounds and is now one of the best stand-off's in our game. It will also be interesting to our supporters if Oldham's latest signing Quinlan plays on the wing to-day after making his debut against Leeds last week. If he does play he will be marking Boston which will certainly be a tough away baptism for him.

In any event it should be a really tremendous game to-day and one which should thrill the fans both from Wigan and Oldham. All New Stand tickets have been sold out for days, and we should have a bumper crowd for what should be one of the best matches of the season.

ITEMS OF INTEREST

Our only two ever-presents this season are Billy Boston and Bill Sayer.

The "A" Team returned to winning ways last week beating Barrow "A" 20 points to 13 at Central Park. Try-scorers were McGurkin, Entwistle, Bootle and Frank Platt. Cunliffe kicked three goals and Bootle one.

John Barton missed the match at Barrow with a heavy chill, but is now quite well again.

Our average attendance at League Games this season is around 17,000. We are hoping this will show an improvement granted a fair day to-day.

Billy Boston has now scored twenty tries in eighteen matches, and is only two behind the leading scorer Vollenhoven, despite having played seven of those matches in the middle.

Tommy Gentles is settling down very well and has been out training every day this week. He hopes to make his debut for the "A" Team against Swinton "A" at Central Park next Saturday.

YOUR PROGRAMME

Don't throw your programme away. It may be worth two seats in the stand to you for the next first team home game.

A winning programme number will be announced in tonight's "Evening Chronicle" Football Pink. Send winning programme to Sports Editor, "Football Pink," Evening Chronicle, Kemsley House, Manchester 4, to arrive not later than next Tuesday. You will receive two stand tickets by post for the WIGAN v. HALIFAX match on December 13th, 1958.
