GREETINGS FROM THE CHAIRMAN

The Chairman and the Board of Directors wish their spectators every happiness at Christmas and every "honour" throughout the coming year. "May we get the luck of the draw in the Wembley Cup and may the boys bring home the Cup in 1959." Best wishes to you all.

OLDHAM STILL IN FORM

Wigan have been playing well of late and it was quite on the cards that they could have won last Saturday at Oldham. But an interception by Kellett saw Wigan's 6 point lead begin to fade away and Oldham's home record still stands.

We expect just as keen and exciting a game to-day.

WHAT ABOUT TELEVISION?

Turning again to Television. Anybody who follows Rugby League football knows that television does not give a comprehensive view of the game. It is good, very good, and it is a wonderful advertisement for the best game in the North, but it still has to give pride of place to the actual thing — the smell of the embrocation is missing.

But just the same we cannot afford to ignore the possibility of converts to the game through its entertainment value. Television brings the game to people who don't know it, and the more they see of it on the screen, the more they will want to see the real thing.

Salford	13	9	1	3	19
Warrington	12	8	1	3	17
Widnes	12	8	0	4	16
Wigan	12	8	0	4	16

Including last Saturday's games the "A" team league stood as above, Billy Mercer and his boys don't let the first team get away with anything in the honours line.

DO YOU USE THE CANTEEN?

The Canteen on the passageway under the new stand has proved quite an attraction. What will be the final design for providing refreshments is something for the future. As every endeavour will be made to improve the amenities of our ground, there is every probability that something more elaborate will very soon be needed — and provided — to cater for the 2,000 patrons of the stand. Everything, of course, will depend on the use that is made of the present facilities. If you like your cup of tea, you will be able to get it.
