

OLDHAM FOOTBALL CLUB

OLDHAM 'A' v. WIDNES 'A'

At Watersheddings on Saturday, 30th January, 1960 Kick-off 3-0 p.m.

Today we entertain Widnes "A" and as usual must expect a dour game. Our team includes three trialists and we hope that they will play as well as the confidence we have placed in them by asking them for trials.

Saturday last, we saw a very interesting game against Yorkshire Amateurs, but a little one-sided

There is no doubt about the difference between amateur junior football and "A" team professional football, but then again all players have to make a start and it is from the amateur ranks that we recruit our star professionals, so let us give encouragement to all junior clubs for the magnificent work they are carrying on.
