NOTES AND COMMENTS

For the third time in five weeks we line up against Oldham. This time however it is to decide who shall enter the second round of the Lancashire Cup. In the opening game of the season we took the honours in a very thrilling game marred unfortunately by the injury to Brian Hubbard. In the second encounter last Friday evening at Watersheddings we were again unfortunate in that Dave Hazeldon had to leave the field after only ten minutes. Dave suffered concussion and required hospital treatment for several days.

Brian Hubbard was hoping to be back in action tonight, but he has not fully recovered from a nose straightening operation. It seems he had a very good reason for wanting to play.

After defeat at Rochdale, Oldham made many changes for their game against us last Friday. Most important perhaps was the dropping of Frank Pitchford for former Leeds player Pycroft.

We are all entitled to our opinions but the majority verdict is that there is just no comparison between the two.

Heaven knows what the score would have been had "Pitch" played, for he hardly ever does the same thing twice and is one of the easiest scrum halves to understand and partner, and Noon, seemed to have difficulty in knowing what Pycroft was going to do next.

There is better news of Phil Kitchin. His elbow was not fractured, after all and another two weeks should see him back in action.

Lou Shepherd had a run with the "A" team last Saturday and came through a gruelling test with complete satisfaction. Oldham, hard hit by injuries this season lost a player in this game and although he spent the weekend in Whitehaven Hospital his injury was not serious. Wigan scrum half Tommy Parr who had been in hospital for observation since Wednesday night paid him a visit and both were making arrangements to travel part of the way home together on Monday or Tuesday, when the writer called to see them.

Though the season is barely a month old several clubs claim record injury lists, several of a serious nature. Oldham's cup of bitterness is full to the brim. We sympathise with them and in particular with the relatives of Welsh Centre Malcolm Price now fighting for his life in a Manchester Hospital. Whitehaven followers and indeed all sportsmen in West Cumberland will join with us in wishing him a speedy recovery.

Just over a week ago at Rochdale he received a stomach injury following a tackle.
