OFFICIAL NOTES

Although we cannot greet our team as Eastern Division Champions we do congratulate them on the great recovery they made in the second half of last Saturday's Final. They pulled back splendidly after being down 0-10 at one stage and 2-13 at another a little later.

The sands of time were running out quickly when Smales scored the game's last try and Dyson made it 10-13 with the goal-kick. Had there been another ten minutes or so left we believe we could have made it, but the two or three which remained were not sufficient.

And so our congratulations go to Hull K. R. on winning the trophy, and also to our own boys on the gallant attempt they made to turn the tables on Rovers late in the game.

Now we return to our First Division programme and we extend a cordial welcome to our visitors from Oldham for today's match. A few weeks ago they

snatched a last minute victory over us after a hard game at the Watersheddings, and will be seeking to complete the "double" today.

Like ourselves, Oldham are too near the foot of the League table for comfort. They have, however, recently been making a bid to strengthen their team. Ray Fisher and Don Platt were signed from Leigh, while Jim Gaskell joined them from Blackpool Borough. In addition, Michael Elliott was signed from Welsh R.U.

Last Saturday Oldham had no game. They should have played Workington Town who were engaged in the Western Championship. The previous week they surprised Wigan at Central Park by pulling off a 14-all draw.

A few familiar faces are missing from the Oldham ranks this time. Alan Kellett has had a long spell on the injured list. Malcolm Price sustained a serious internal injury from which there is, happily, good news of his recovery.

GOLCAR

Gwyn Davies has been placed on the transfer list at his own request.

Brian Rowe's coolly-taken dropped goal against Widnes was the first of his career.

We recently added the name of Brian Smith, our "A" team coach, to our playing register.

The following players have been crossed off our register, as we had reached the maximum number of 50 permitted — R. Barrow, J. Aspey, J. Coulter, M. Hirst, G. Killen, R. Wood and M. Meadows.

George Killen reached Australia safely and we understand he has taken a player-coach job in Queensland.

Terry Gorman has been unable to come to Fartown this season for domestic reasons, but he now hopes to get over weekly for training, and is included in our "A" team at Batley today.

Mackeson Contest

Today is the last Saturday of the Second Period, and Workington Town appear

certain to head the table again as they did in Period One.

In the Main Contest, which covers the full season, the Cumbrians are still well ahead. Their average of points per match is 28.88, against second club Hull K.R.'s 21.68. We are in the eighth position, with an average of 18.06 points per game.

"This is Rugby League"

Despite the production of many Year Books and R.L. Annuals there have until recently been no hard backed and fully bound books devoted exclusively to our game.

The first of these, an Australian publication, is now available from local newspapers and it has contributions by 20 leading R.L. players and personalities.

Entitled "This is Rugby League," it has a foreword by the Duke of Edinburgh and is packed with action photographs and diagrams about the game.

Sportsmanship

We are concerned about the unsportsmanlike behaviour of a few of our followers, particularly when visiting players are taking goal kicks. We ask the co-operation of everyone in stamping out this type of demonstration.

Divisional Football

It is, of course, far too early yet to adjudge the Two Divisions experiment as a success or otherwise, but there have so far been many closely contested games. Many have been drawn, and in other instances victory has only been gained by a point or two.

Attendances have been quite good at First Division matches, and although there have not been as many people at

Second Division fixtures some of the latter clubs are having bigger crowds than they did last season.

The League tables, too, make interesting reading. Who would have forecast that at this stage Castleford would have been First Division leaders? Or that Whitehaven and Liverpool City would have been at the top of the Second Division.

It must be said that the attendances at the Regional Finals last Saturday (6,822 at Headingley and 13,588 at Wigan) were very disappointing. The two Finals together failed to attract as many spectators as either of the County Cup Finals the other week.

Tickets for our Annual Christmas Draw are now available, and we will appreciate your help in disposing of them.

FARTOWNERS PAST AND PRESENT

No. 36 — Ray Haywood

was a regular choice for Yorkshire, and he also captained the England Amateur International team.

He was playing with Birkby C.Y.C. when he came to Fartown for trials, and he made a very successful debut with our first team in a game against the New Zealand Tour Team in which he scored a try. That was in 1955, but although he played in 10 senior games that season he preferred to go back to the amateurs.

He later played with Lockwood before going in the Forces, with whom he played R.U. for the Duke of Wellington's Regt., as so many other R.L. players have done.

After his demob he signed professional forms for us and played at centre and on the wing. He did not gain a regular place, however, until mid-way through last season. He was in the Wembley team but was injured and not fit for the following week's League Final at Odsal.

Ray has played in 54 first team games (13 tries) and 74 "A" team games (19 tries and 4 goals) to date.

He is a plumber and is married.

Photo by courtesy of "Huddersfield Examiner"

Ray had a lengthy and distinguished career in amateur R.L. before signing for us as a professional in March, 1959. He
