OUR VISITORS

Today we welcome Oldham to Craven Park, at present lying 7th in the league table. After an excellent start to the season they struck a bad patch, and lost a number of matches, they have now recovered their early season form, and emphasized this by defeating the strong Hunslet team last week by 36 pts. to 7 pts., this shows we must be on our best form to finish on the winning side to-day.

Oldham have always been a most enterprising club, but our record against them is fairly even, although they have been successful twice in the last three years at Craven Park.

RUGBLY LEAGUE CUP.

Congratulations to Walney Central R.F.C. on their performance against Crosfields Amateur R. L. team in the Final qualifying round of the Rugby League Cup. It was a grand performance to draw with this renowned amateur side, on their own ground. The time of the re-play is in doubt at the moment, Walney having made a protest that Crosfield played an ineligible player.

It is an open secret that the Barrow Club would like a number of the Walney Players on trial after they have finished their Cup engagements. So best of luck Walney, hope to see you in Round 1 of the Rugby League Cup.

WORKINGTON MATCH.

After the disappointment of having both of the holiday fixtures against Blackpool postponed because of frost, we travelled to Workington to fulfil our New Year's fixture, hoping the frost would not stop us playing again. On the coach it was pleasing to see a number of youthful members of the Auxiliary Branch travelling to support their team. These youths are doing a grand job in selling Jackpot Tickets, and raising money in various ways to help the club to survive in the difficult times.

On arrival at the Workington ground, it was found to be extremely hard in places, but being well grassed it was pronounced playable. Our hopes of continuing the winning run were soon ended. The Workington pack both in scrums and loose play, being well on top, and supplied their backs with overwhelming possession. Workington played some very attractive football and fully extended the Barrow team who did well to limit the score to 4 tries, 4 goals, to 3 goals.

After the match it was a pleasure to meet Don Wilson again, he assures us he has improved greatly, although the question of his playing rugby football again is doubtful.
