CLUB NOTES

TEAM COMMENT.—Whatever has been the outcome of last Thursday's meeting of the Disciplinary Committee, last Saturday was certainly an unfortunate day for us, not only because of both Alan Marchant and Dennis Hartley coming under the ban of referee T. Keane of Oldham but also of the loss of two very valuable League points.

That these disappointments should come in front of our best League attendance of the season was equally unfortunate.

TO-DAY'S MATCH.—To-day, however, the struggle for League points is temporarily out of our minds. Cup Tie football has an attraction all of its own and certainly we could ask for no more piquant a tie than the one we stage to-day at Parkside versus Oldham.

In the 3rd Round last season Oldham blasted our Wembley hopes when the Empire Stadium was firmly in our sights. This season they have recorded a League 'double' over us. Our players have much for which to strive to-day. We have no doubt that they will give of their all in search of victory.

The constitution of our side this afternoon is problematical and at the time of writing it is impossible to forecast our line-up as there are so many factors affecting it.

We give a sincere welcome to the Officials, Players and Supporters of Oldham and trust that the weather will be much kinder to us all than it has been on their last two visits to Parkside.

Whatever the result we hope that players of both sides and match officials will all contribute to the full to give us a game worthy of Rugby League's highest traditions. That is the only answer to declining 'gates'.
