A BRIGHT START!

At the time of these notes going to press, the result of our match at Wigan was not known, but one thing can be sure. If our boys played at Wigan as they did against Warrington at home and Whitehaven away then there can be no reason why we should not have won.

Following our performance against Rochdale Hornets in the annual Charity fixture our hopes of beating Warrington seemed grim but the Oldham boys really put their minds to it and pulled off a splendid victory against a strong Warrington team.

On Wednesday we had a tedious journey up to Whitehaven to tackle the Cumbrians. Whitehaven are always a hard team to beat at the Recreation Ground but once again our boys pulled out all the stops and returned to Lancashire with two more league points having played steady and effective, if not altogether attractive football. John Winton, who seems to have run into his best form put us in a good position when he landed three penalty goals, all from difficult positions, which gave us a lead of 6 points to nil. Winton also added a very good try and the other try came from acting Skipper Stan McLeod who finished off a good move following a dropped pass by Whitehaven.

Let us hope this run of success will continue.

OUR VISITORS

This evening we give a very hearty welcome to all members of the New Zealand Rugby League Touring Team and we sincerely hope they will have a very enjoyable stay in this country.

They started their tour with a match against a Commonwealth team at the Crystal Palace, London, when they ran out good winners. A week ago in their first official tour match at Bradford they came unstuck and 'Northern' pulled off a very good win.

However, we must give the Tourists time to settle down, they certainly were very much improved last Wednesday when they were victorious over Warrington at Wilderspool.

**Pure gold

THE BENSON AND HEDGES AWARD SCHEME

Today is the fourth round in the Benson and Hedges Award Scheme for the New Zealand Rugby League Tour. Designed on a 'player of merit' basis, a panel of judges will decide the two top players from both sides, who will in turn receive an award of £10. In addition, the top 'home' player will be presented with a souvenir silver pencil and the first three New Zealanders will be given points, which at the end of the tour will decide the overall top players to receive special Benson and Hedges trophies.

Previous 'home' winners include Drew Broatch from Leeds and Tommy Smales from Bradford. On the New Zealand side players with "firsts" already behind them are Graham Mattson and Don Hammond. Who, we wonder, will be the 'players of merit' this week?

CUP FINAL TICKETS

The splendid exhibition of Rugby League football which was enjoyed at Wembley last May has, as anticipated, had its effect on ticket sales. The Restaurant tickets at £3, and Best Stand tickets at 30/- have been sold out. Only a very small number of £1 tickets remain for sale and there is a steady drain on the 15/- and 10/- tickets, which rather indicates that the "all sold" notice will be put up in a few weeks time. Standing Enclosure tickets at 5/- (under cover) can be obtained in advance from our Rugby League Offices, 180 Chapeltown Road, Leeds 7. Applications should contain a stamped and addressed envelope.

THE NEW ZEALAND TOUR PROGRAMME. It will give great pleasure to Rugby League followers to welcome the New Zealanders to our shores again, for they gained a fine reputation for playing good rugby during their last visit to England in 1961, as indeed they did when they were over here for the World Cup Series in 1960. Many supporters still regard that wonderful Australia v New Zealand game here in October, 1960, as one of the finest Rugby League matches ever seen in this country.
