CLUB NOTES

The last three months has been the most successful spell Hornets have enjoyed since the mid-1950's and certainly one even the most optimistic supporter would not have envisaged after the dismal start to the season when the opening matches against York and Keighley were lost.

The Hornets have lifted themselves out of the bottom-of-the-table rut and wins over Wigan, Warrington, Swinton and Huddersfield and draws against St. Helens and Swinton show that they are no mean opponents for any team in the Rugby League.

Now they have to show that the effort can be sustained, and as good a test as any towards this aim comes this afternoon in the "Derby" with Oldham.

The teams have already met twice this season. Hornets won the Charity Cup game at the Athletic Grounds in August and Oldham narrowly turned the tables in a League match at Watersheddings some weeks later.

At the moment Oldham have slightly the better playing record, but the two teams are fairly evenly matched unless, of course, injuries in Saturday's games have upset the balance.

It is a game which could go either way and the result could have an important bearing on the final composition of the Top Sixteen, particularly in the case of ourselves for we are still just outside the qualification mark.

Like the Hornets, Oldham have had to struggle along for most of the season without key players.

Their £5000 full-back Brian Curry has been in and out of the side with leg trouble and Dave Parker, possibly one of the classiest loose-forwards playing, has only just got back in the game after over two months absence with a knee injury.

Obviously, however, Oldham's reserve strength, in the pack at least, has proved more than adequate and in the ubiquitous Peter Smethurst and quicksilver out-half Tom Warburton they have two consistent matchwinners whom the Hornets will have to watch very carefully this afternoon.

Finally may we take this opportunity to wish all the players, officials and supporters a happy and prosperous New Year.

GREAT BRITAIN v FRANCE at Carcassonne, 22nd January, 1967

The Rugby League Secretary has been approached several times by supporters who would like to see the Rugby League International Matches played in France but who would like to be back in time for work on Monday morning. Providing a sufficient number of people are interested, it may be possible to arrange in respect of the game at Carcassonne on 22nd January, 1967 for supporters to travel out at the same time as the team on Saturday morning, January 21st, but to travel back to England on Sunday night after watching the match.

The famous walled city of Carcassonne is of great historical interest and would be an added attraction.

Any supporters interested in making the trip should write without delay to the Rugby League Secretary, 180 Chapeltown Road, Leeds 7.

SEASONAL GREETINGS

A Happy New Year to all who think well of Hornets. Let us hope it will be a fruitful one on the field of play, and may the present good feeling and co-operation in the work for Hornets long continue in the ranks of the Supporters' Club. "Onward, Hornets, onward!"

OUR NEW TEA BAR

Now that our Christmas effort is behind us, we must make plans for the rebuilding of our main tea-bar. In the summer we hope to finalise and complete our building programme for a brick erection where our present wooden hut stands. The ladies committee have given their ideas for improvements to be added to the new building and it will, of course, be a much more substantial and convenient erection than the hut we now use.

The old building has done a grand job. Built just after the war when new wood was almost unobtainable, the second-hand timber it is made from has taken a battering from the weather and vandals. At the time it was opened, food rationing was in force, and there were many difficulties in recording how many cups of tea, etc. were sold in order to get sufficient supplies to keep going.

The ladies' committee is a hard-working, voluntary body, and at last they are to have a building and facilities worthy of their efforts.

"BILLY" LAW

By the time these notes are in print we hope that "Billy" Law, who has been in hospital for a knee cartilage operation, will be back home and well on the way to recovery. This "live" committee man gets through a tremendous amount of work for the Hornets and we hope to see him "on the job" again soon.

"ALF" CROWTHER

At the time of writing, another very valuable committee member, "Alf" Crowther is back home and feeling much better after a spell in Birch Hill Hospital. "Alf" has been particularly missed at our Monday night draws, where he is a very popular figure. We wish him a complete recovery soon.

THANKS

A word of thanks to all who helped to make the Supporters Club annual Christmas Draw such a big success. All our officials pulled their weight, and a special word of thanks to the ladies for preparing the prize display and providing Sunday afternoon refreshments for those who conducted the draw.

QUERY CORNER

We have had some very interesting queries recently, and if you have one about the Hornets address it to Bob Fletcher, 12 Margaret Avenue, Rochdale. He will do his best to answer it in this programme.

How to keep your clothes summer clean in winter

* Winter gives your clothes the 'drab look'. What can you do about it? The sensible thing to do is to have them dry cleaned more often . . . by UNIVERSAL. Then your clothes keep summer-clean — yes, even in winter?

* Ring Milnrow 55226 or 55195 and a van will collect your dry cleaning. Or you can leave it at a UNIVERSAL shop.
