CLUB NOTES by "Northerner"

THE NEW SEASON

With a new campaign upon us hopes are high that this could be our best season since the revival.

The playing strength is most impressive and under new manager Albert Fearnley it is felt that trophies could soon be on the Odsal 'shelf.'

IMPRESSIVE

A thirty point margin over the redoubtable Castleford team in the GIDEON SHAW MEMORIAL CUP game, gave our boys a confidence-booster for the coming campaign. The whole side performed well with the forwards full of 'Fearnley fire' and laying the foundations for this resounding win.

SCOOP

The shock signing of Welsh star Terry Price was the major capture of the close season and again indicated the determination of our go-ahead management to provide top-class entertainment for Northern fans.

Terry has been living in our city for three weeks and has trained each day to achieve peak fitness for this evening's game with Oldham.

There can be no doubt that our latest 'capture' is the biggest since our friends at Headingley persuaded the great Lewis Jones to turn professional in 1952. By coincidence, Price and Jones come from the same club—Llanelli.

On his debut tonight, everyone concerned with Odsal will wish Terry well and hope his signing is the start of a great era for the new Bradford Northern.

AUSSIE STAR

North Sydney threequarter George Ambrum will be present at the game this evening and subject to fitness will play against Leigh at Odsal on Saturday next.

Ambrum, hailing from Thursday Island off the coast of Queensland, is a powerful 14½ stoner considered one of Australia's top middlemen.

During his stay in Bradford, George will be domiciled with fellow Aussie Garth Budge and two of our Hull contingent, Diabira and Fletcher.

YOUTH POLICY

As in previous years, schoolboy coaching has been number one priority during the 'close' season. An average of 300 boys per week attended our Summer Rugby School and as a result there should be additions to the nine schools already playing Rugby League next season.

One of our latest signings—16 year old forward Brian Outlaw from Eccleshill—is the first direct product from the Summer School.

Over 3,000 season tickets have been handed over to the Bradford Schools' R.L. Association for distribution amongst boys and girls in the city. A nominal charge of 2/- per ticket will be made and the proceeds will go towards the cost of sending sixty boys to Lilleshall Hall on a four day course later in the season. Tickets are available before today's game and also prior to the Leigh fixture.

INTERS AND COLTS

This season Under 19 and Under 17 sides will be competing in the Leeds League under the direction of Bradford Northern.

Trevor Foster and ex-Huddersfield forward Peter Gronow will be in charge of the teams and will welcome players of above average ability at our Wednesday evening training sessions.

RETIREMENT

A familiar figure will be missing from the Northern bench this season after a thirty year association with our club. Arthur Wood occupied many rôles during his long stay at Odsal including training staff, masseur and finally kit. Manager Fearnley trained as a boy under Arthur and can vouch for the thoroughness that marked every job undertaken by this rugby fanatic.

Everyone at Odsal will wish Arthur a long and happy retirement and thank him for his many years of dedicated service to Bradford Northern in particular and the game in general.

SUPPORTERS' NEWS

A new branch is being formed at Shipley, and there will be a meeting at the Fleece Inn next Thursday at 8-30 p.m. Coaches will be available to all home and away games.

For the first time since our revival it is a great pleasure to welcome to Odsal one of Lancashire's premier teams—Oldham.

Three of our first-teamers—Kellett, Rae and Lord—learned their trade at the Watersheddings ground and all three played there in the halcyon days of Ganley, Pitchford, Davies, Turner, Winslade and Little. This trio will be especially keen to do well this evening.

Big signings have always been commonplace at Oldham and last season £11,000 was splashed on Test-centre Shelton from Hunslet and Brian Curry from Huddersfield.

In the pack the evergreen Peter Smethurst is performing as well as ever and alongside him young Bob Irving is one of the best second-rowers in the game today. Loose-forward Dave Parker left a gap that will be difficult to fill when he announced his retirement last week following recurrence of a knee injury.

Unfortunately the mercurial Tom Warburton will also be missing from the off-half berth due to an injury sustained in the 'Sevens' at Headingley.

Players to watch in this encounter are coloured wingman Mike Elliott from Tiger Bay—rangy forward Fletcher, a £3,500 signing from Leigh—ex-Saints back Donovan and one of the game's best hookers, Kevin Taylor.

With the added attraction of Terry Price's debut, this evening's game should not be lacking in atmosphere.

AMATEUR RUGBY LEAGUE — WYKE R.L.F.C.

Wyke has always been a stronghold of Rugby football, and our club is the oldest organisation in Bradford to have played the same code of football throughout its existence. We were founded in 1881, since when we have operated from various grounds in Low Moor and Wyke. In the club's first season, a match against Bowling had to be abandoned in general uproar following what must be an almost unique event—the assault on a player by a referee!

Wyke has almost always been a fairly successful club; we were Bradford league champions in 1965-6 and Bradford cup winners in 1966-7. A few of our players have joined Northern League clubs; probably the best known was the late Norman Haley, who played for Bradford Northern in the nineteen fifties. More recently, Roy Sabine joined Keighley from Wyke.

The club now uses Wyke Recreation Ground, at the junction of Towngate and Huddersfield Road, and our headquarters are the Victoria Hotel, Low Moor. We believe that a football club should not keep a lot of spare players standing on the touchline, waiting for an odd game, and in recent years we have run two open-age teams, one in the Huddersfield League, in order to give all our players a chance. This year we are running an under 17 team, so new players of any age will be welcome. Training began again on Sunday, August 20th, at 11 a.m., and continues on Tuesday and Thursday evenings and Sunday mornings. Our annual dinner is at Prospect Hall, Cleckheaton, on September 5th, and former members of the club are welcome.
