CLUB NOTES

TO-DAY'S MATCH—This afternoon Oldham provide us with our second Lancastrian visitors of this season. We welcome the men from Watersheddings who were last here in League football on January 1st, 1966 when they defeated us by 7 pts to 3. We remember, albeit sadly, their visit last season in the First Round of the Rugby League Challenge Cup when they sank our revival hopes with a win by 9 pts to 5. On this third recent meeting to-day a victory for us would seem to be overdue.

Last season Oldham finished ninth from the bottom of the League table in what was their worst season since the war. They have made a poor start to the season this time but had a convincing win at Rochdale last week in the first round of the Lancashire Cup. A side which has players of the calibre of Derek Whitehead, newly signed this season, and John Donovan in the backs and Geoff Fletcher, Kevin Taylor, Bob Irving and Arthur Hughes in the pack must have an above-average amount of ability. In coach Gerry Helme they have a man whose rugby league know-how is second to none in the game. All this adds up to the fact that a top class performance will be required from our young players if two valuable league points are to be won to-day. We look forward to a good match.

TEAM COMMENT—Congratulations to our players for a good victory in the first round of the Yorkshire Cup last Saturday. Huddersfield are no mean opposition, as they had demonstrated at Headingley five

CLUB NOTES—continued

days earlier. However they were shattered by our excellent first half football which brought us fifteen points in eight minutes. It was good to see Phil Morgan display the attacking ability of which we know he is capable - the first of his two tries was a top-class effort, whilst the backing-up which produced Johnny Walker's try was in real Parkside tradition.

Less comforting were the tackling lapses which let Huddersfield score three tries and come back into the game. However our defence rallied, having seen the danger signs and we ran out worthy winners. In the second half defensive work no-one did better than Alan Preece, who had postponed his holiday flight to Jersey to play in the Cup-tie. Within minutes of the game ending Alan was changed and being whisked to Yeadon Airport where he managed to catch the last flight of the day to the Channel Islands. He will be back for to-day's game, all being well. What a great club man this thirty years old youngster is!

YORKSHIRE CUP—In the second round of the Yorkshire Cup we have a home tie with Castleford, which will be played at Parkside on Monday next, September 16th, K.O. 5.45 p.m. The other second round ties, which have to be played by September 20th, are as follows: Bradford Northern v Batley; Halifax v Hull Kingston Rovers; Featherstone Rovers v Leeds.

JACKPOT—The winner of the Jackpot at our last home game versus Huddersfield was Mr. Eric Johnson, 7 Springclose Row, Leeds 9. Tickets for to-day's draw, made on the pitch at half-time by the referee, are on sale all round the ground (1/- each).

Want to be an International?

Ours is a business with an international flavour. We sell half our production of printing machines and equipment to 120 countries. But, as we have a world-wide reputation to uphold, we are always looking for top-class skilled machinists to join our team. Our new wage structure includes an increased basic rate and gives the chance of high bonus earnings. Just contact our personnel officer, Mr. Carr.
