CLUB NOTES

OLDHAM AGAIN

Welcome again this evening to the players, officials and the supporters of the Oldham Football Club and our sincere congratulations to them on their great win at Salford last Wednesday to reach the final of the Lancashire Cup.

Three down and three to go, this will be the fixture result after this evening's game, both teams having won one each, tonight's affair will be deemed the best of three.

Tonight's game is the 1st round of the B.B.C. Television Floodlit Competition, although due to there being more clubs entered in the competition than in previous years, this game will not be televised. All the following games in which this evening's winners are engaged will be shown on B.B.C. 2.

Following this evening's game we are due to play Oldham again at Oldham on Easter Monday and have been drawn to play them later in the season, home and away in the new Lancashire Floodlight Knock-Out Competition.

TONIGHT'S LINE-UP

Saturday's win over Blackpool proved a costly affair player wise for at the time of writing, Joe Chamberlain is certain to be out of this evening's game and there are question marks against Graham Starkey and Glyn Earl. Tony Pratt is selected provisionally but there are doubts whether he can get off work, Alan Holt comes in at full-back following impressive displays with the "A" team, Ken Tighe is selected at scrum-half in preference to Jimmy Gaskell, Should Starkey and Earl prove unfit Mick Crocker and Dennis Murray are standing by, both Starkey and Earl are suffering from bruised thighs.

Oldham have their problems following their Cup win last week, so much so that they had to postpone their "A" team fixture with us on Saturday, being unable to raise a team.

Their journey to Featherstone proved fruitless for they lost 23-12 at Post Office Road. For this evening's game they too, at the time of writing, do not know their line-up.

Fitness doubts are against the following players Wilson, Taylor, Ogden, Hughes and Fletcher all out of the pack and Elliott and Whitehead from the backs.

SEVEN-A-SIDE COMPETITION

A new venture has been organised by the Rugby League in the form of a Seven-a-Side Competition and is to be sponsored by John Players the tobacco company and B.B.C. Television. 24 League Clubs have entered and have been split into four regions, East Lancs., West Lancs., East and West Yorkshire.

The East Lancashire region comprises of Oldham, Salford, Swinton and Rochdale and will play as follows on Thursday, December 12th, 1968, at a venue still to be arranged.

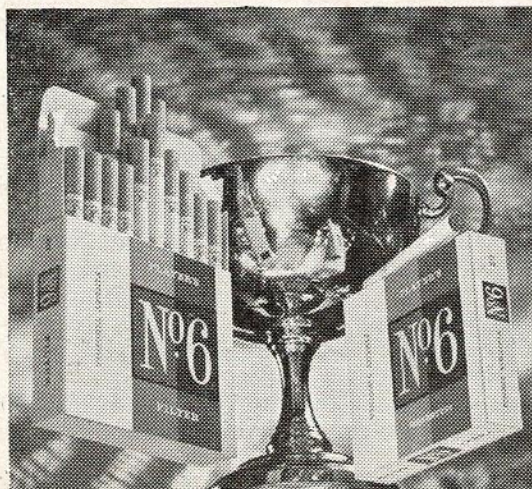

Each team will play each other 7 minutes each way. Top two in the League table to play off in the final — 10 minutes each way, the total playing time will be 104 minutes.

Each region will have play-offs of a similar nature on separate Thursday evenings, and on Thursday, January 16th, 1969, the final comprising of the four regional winners will be played on a similar basis as above.

This should prove an interesting competition and the club that wins the trophy outright will benefit to some £500.

FIXTURES OF INTEREST

On Thursday, November 7th, 1968, kick-off 8 p.m. England will play Wales at Willows Road, Salford. Efforts are being made to stage a curtain raiser of old-time players, similar to one played at Leeds a couple of years ago. This should certainly
