TODAY'S GAME

This afternoon we extend a warm welcome to our visitors from Oldham. After our heavy defeat at the Watersheddings a few weeks ago our lads will be going all out to avenge that defeat and get back on the winning ways.

Oldham have recently transferred two of their 'star' players—full back Derrick Whitehead and pack leader Fletcher. But with these players departing they still turn out quite a good side as we found out to our cost.

Former Workington player, Crellin, had a field day against us at Oldham also did stand off half Wilf Briggs, who seems to have the scoring flair as he tops the try scoring list for the League.

Oldham have always had some fine forwards and the present pack, although it did not match up to their usual standard has quite a few good players in it. 'Tug' Wilson has played R.U. for England and has settled into a good prop. Irving, in the second row, has played for Great Britain and Ray Clark has impressed the selectors with his 'all out' play.

Our coach, Alan Kellett, had a good career at Oldham and was there when they were one of the most feared sides in the League. Names like Winslade, Turner and Vines were three who served Oldham very well in the late 50's.

LAST WEEK'S GAME

Our visit to York last Saturday was very distressing in more ways than one. After taking an early lead we fell behind and never really looked like winning, although what was looking like making into a really good game turned into a poor one. Alan Kellett was dismissed in the first half and Brian Larkin followed shortly after the interval. Our eleven players left on the field put up a great fight. Two good tries were scored but eventually the odds were too great and York ran out clear winners—a disappointing day out for the number of supporters who travelled from Keighley.

CLUB NEWS

The big news this week has been the signing of Mick Clark, the former Leeds captain who was signed on Tuesday night after showing great form in the game against St. Helens. 'Mick' has given great service to Leeds and his experience should be very helpful to our youngsters and we are looking forward to him soon striking up a good understanding with the rest of the pack.

The young scrum half who showed up well in our 'A' Team last Friday night found that he had broken a bone in his foot after the game. It is hoped to give him and the centre who played another outing in a few weeks time.

Derrek Hallas, our scout, has his eye on a few youngsters and some of these players will soon be having a run out with the 'A' Team.

Barrie Potter, who has been missing the training sessions recently, has reported that he has had a broken finger and he should be fit for training any time. Tony Pell has been put on the transfer list and the following players have been given free transfers: C. Watson, T. Hebblethwaite, A. Keith and P. Wood.

We could do with a few extra gatemen. Anyone interested should report to Mr. J. Holmes in the tea room.

KEIGHLEY v. LEEDS

This match, which should have been played next Friday evening has been re-arranged to take place on **Sunday, 19th October, 1969**. Kick-off 3-0 p.m. Please make a note of this change of fixture.

KEIGHLEY R.L. JUNIOR SUPPORTERS' CLUB

The under 19 Team have played three League Fixtures so far this season in the Bradford Sunday Youth R.L. Competition. The results were as follows:

v. Keighley Albion	Lost	11-24
v. Sedburgh Boys Club	Won	16- 5
v. Wyke	Won	40- 2

In addition to the League Fixtures three friendly games have been played, two of which were won and won was lost.

We have much pleasure in welcoming the Leeds Junior Supporters' Team to Lawkholme to play a curtain-raiser before the First Team Match today. A collection will be taken immediately after the game to help towards the expenses of running the Junior Supporters' Team.

On Sunday, 12th October, 1969, a trial match is being played at Odsal School (kick-off 2-0 p.m.) for the selection of the Bradford District Representative Team to play against Huddersfield District on 26th October 1969.

The next League Fixture will be played on Sunday, 19th October, 1969 against Dudley Hill on a ground to be arranged at Keighley.

Training Sessions are held at Lawkholme every Wednesday evening at 7-0 p.m. and any youths under the age of 19 years who are interested in playing amateur Rugby League Football are invited to attend.
