CLUB NOTES

BARROW v OLDHAM

SATURDAY SEPTEMBER 5th 1970.

KICK OFF 3-0 p.m.

Today it is our pleasure to welcome Oldham, a team who have always played good open football and with whom we have had many fine games in the past; and given us many hours of pleasure watching. Last season to say the least was not a good season for them and this was reflected in the voting for the committee the old committee being entirely replaced. The new committee is led by Arthur Walker as Chairman, a gentleman who has a great deal of experience in Rugby League matters having been in the past chairman at Rochdale and one of the managers of the 1962 Great Britain tour to Australia and New Zealand. No doubt the new committee will be pulling out all the stops to make a name for themselves by getting a winning team and getting back towards the top of the table. At scrum half to-day Oldham will probably have Jed Smith who was such a great favourite at Craven Park a trier until the referee blows for time whatever the score also Bob Irving in the forwards just back from touring Australia and New Zealand with the successful Great Britain Team. We wish Oldham all the best in their efforts.

It would appear that there has been such a number of complaints about the season fixture lists that next season the computer has got the sack and Mr. W. Fallowfield is going to compile the fixtures for season 1971-1972, so we can hope for a fixture list which gives us alternative home and away fixtures as near as possible.

Here is the official working of the new substitute rule. Two players per team may be named as substitutes the names of whom must be made known to the referee prior to the kick off. The two players who are replaced by the original substitutes may themselves act as substitutes but once only. No further substitutions shall be permitted. If a substitution is effected during a halt in play in which a kick at goal is being taken the substitute shall not be permitted to take the kick.

CLUB NOTES CONT.

Last Tuesday against a weakened Doncaster team we opened our home programme with a big win. The pleasing thing about the match was the way we moved the ball about to create openings for tries, all the moves came off and some very good tries were scored this gave us great hopes for the future, but alas at Wigan on Saturday last we were brought down to earth with a vengeance. Wigan were not a great team but made good use of our mistakes. Where things had come off for us against Doncaster, things went wrong against Wigan and the three tries Wigan scored in the first half were the result of bad mistakes by Barrow. We never got into the game and were a well beaten team on the day but not to be despondant, we have plenty of talent and will surely win a lot of games this season. The last time we won at Wigan was season 1956-57 when the score was Barrow 26 points (7 goals 4 tries) Wigan 15 points (3 goals 3 tries). We completed the double that season by winning at Craven Park Barrow 15 points (6 goals 1 try) Wigan 12 points (3 goals 2 tries).

At the season ticket holders annual meeting our Chairman Mr. W. Oxley spoke about a new playing strip which we hoped would brighten up our appearance especially in floodlit football. Well it has not been forgotten a lot of work is going in behind the scenes including experiments with different fabrics and colours. We hope to be able to play in this new strip against Leeds in the first round of the B.B.C. 2 floodlight competition.
