CLUB NOTES

No one will dispute the fact that the team won back a lot of friends after the stirring game with Wakefield Trinity last Tuesday. Whilst we were not quite good enough to beat the strong Trinity side, we certainly made them fight every inch of the way. The crowd got their money's worth, which is what we always try to achieve at Tatters Field.

It was good to see skipper Gary Brook and Jim Hopwood back in action and both will have benefitted from the outing. Dave Towle and Tony Cross are both back in training so surely our injury hoodoo is at an end.

As we welcome Oldham this afternoon we cannot help but recall our last encounter with the lads from Lancashire. On that occasion a dropped goal from all of forty yards beat us when we looked to have the points won. We hope that this afternoon's result will not hinge on such a narrow margin — its no good at all for the nerves!
