CLUB NOTES

To-day's Visitors

In a season, which sees us playing more games against Lancastrian opponents than Yorkshire ones, we open our Parkside League Season by welcoming our friends from Oldham. Last season the corresponding fixture was a splendid game with the final result being a draw at 22 points each. George Clark played an important part in that game by scoring a hat trick of tries. A repeat of that performance this afternoon would be most welcome.

Oldham are a side which likes to play open football and with international forward Irving in the side, they are likely to give us a hard game here to-day. Their Player-Coach, Graham Starkey has played few games recently, concentrating on developing the potential of his side. His job is, in some ways very similar to our own Geoff Gunney. Both sides have talent, but have disappointed recently. Both coaches are seeking to revitalise their respective clubs and to make the players believe in their own capabilities.

Team Performances

It was very disappointing to players and supporters alike to go out in the First Round of the Yorkshire Cup to Keighley, especially when at three-quarter time a winning position had seemingly been attained. Then the score stood at 10—3 in our favour, with Keighley, so it appeared, out of the match. Yet in the last 18 minutes the position was completely reversed, and Keighley ran out eventual winners by 17 points to 10. Our League programme opened at Batley last weekend. Up to half-time there was little difference between the two teams. Then an injury to Hooker Lewis Cardiss, which necessitated a trip to the Hospital, made our second-half task very difficult, for in the games scrums, Batley heeled from them 28 times against our own 6 heels, and Batley were the winners by 11 points to 5. If we can open at home with a win to-day, it will put us in high hopes of defeating local rivals Bramley, who visit us on Monday, 30th August. Kick-off 6-30 p.m.
