OUR VISITORS

Following the midweek Floodlit Cup-tie, it's back to the bread and butter of league warfare today when Featherstone Rovers form the opposition.

The Rovers are noted cup-fighters and though their league record is quite healthy they have never won the League Championship. In fact, they own the rather unenviable distinction, along with Leeds, of being the only sides who failed to score in a Championship Final. That was way back in May 1928 when Swinton beat them 11-0 to win all four cups despite having three players absent on the Australian tour. That Championship Final was staged here at Watersheddings and attracted a crowd of 15,451. Featherstone have twice visited Wembley recording one victory and one defeat and have won the Yorkshire Cup twice in seven appearances. In addition the Rovers have twice been runners-up in the Yorkshire Championship.

One disappointment to Watersheddings patrons will be the non appearance of international second row forward Jim Thompson. Thompson's form has attracted the attention of club chairmen both home and abroad for, after Salford had made a bid for his services, Wellington (New Zealand) R.L.F.C. were hoping to enagage him as coach during the English close season. Unfortunately Thompson has been injured throughout this season but he hopes to commence playing next month and he has already resumed light training. The Rovers forwards, however, are still quite a formidable combination despite Thompson's absence. Vince Farrar, signed six years ago from Featherstone Juniors, was a substitute in last Saturday's Test match and the same player was substitute for England U/24's in 1969. Another international is the speedy Arnold Morgan. This former winger has represented Yorkshire and Great Britain and in 1968 he visited Australia as a member of Britain's World Cup squad. Les Tonks, a former amateur international, has twice been a member of the England U/24 team. There are also several attractions in the Featherstone backs, including scrum-half Steve Nash, who last Saturday made his second appearance for Great Britain and then on Wednesday made his Yorkshire debut. At full-back for Rovers will be Cyril Kellett, who seems to have gained a new lease of life since his transfer from Hull Kingston Rovers. Kellett began his career with Willow Park Juniors (Castleford) and joined Hull Kingston in September, 1956. His eleven seasons with the Robins were very successful. He made six appearances for Yorkshire and appeared at Wembley as well as being voted man-of-the-match in the 1966 Yorkshire Cup Final. In season 1958-59 he scored a total of 268 points and he looks capable of scoring a few more yet, for at the end of last season he scored two tries and landed 10 goals in Rovers' 65-5 victory over Whitehaven. Other Featherstone backs who have been given good reports are John

Hay, Paul Coventry and Mick Smith. Former amateur international Smith, was signed from Rossington, and scored six tries against Doncaster three years ago.

Featherstone have made a reasonable start to the season by winning five of their nine league matches and so lie in 11th position. Their victories have been away against Blackpool (18-15), and home wins against Bradford (24-20), Huyton (23-8), Keighley (41-3), and Whitehaven (23-12). In the Yorkshire Cup, Rovers fell at the first hurdle when they lost 9-2 at Hull.

The last time Oldham and Featherstone met in league football was three seasons ago, when the Rovers pulled off an exciting 24-22 win here at Watersheddings and then repeated the process by winning 23-12 at Post Office Road.

It looks, therefore, as if Oldham are in for another tough match but with the return of county forwards Bob Irving and Ray Clark perhaps Oldham will be able to record their third successive league victory.

Announcing Rugby League's greatest new challenge **The Player's N°6 Trophy!**

A 5-round 32 club knock-out tournament — to be played between November and January. There are prizes to the value of £11,000, so there's plenty of incentive!

Plus, a second competition — for the 16 clubs knocked out in the first round. For this, £1,000 is shared by the top 4 clubs that score the most tries. Which is sure to make for fast, open football!

N°6 Player of the Year Awards — will continue, but under different rules. 6 votes will be cast by each club for players other than their own, with £500 in prize money for the top three lucky lads. See if *your* choice is the same as your club's!

SUPPORTERS' CLUB NOTES

Welcome friends! Apologies for the late start to this season's Supporters' Club notes, but while we may have been quiet on the public front, there has already been a lot of behind-the-scenes activity as we bid to make even greater progress financially than we did last year.

By now, I hope you will all have seen a copy of the new Year Book—bigger in format and different in content. At 5p we believe it is good value for money and a must for every real Watersheddings supporter.

By undertaking the task of producing the book ourselves this year we anticipate a much more rewarding financial return to help swell the Club funds.

But the strength of any club of this kind depends on its membership, and I would appeal to all supporters to consider shelling out a few pence to become either a member or a vice-president of our organisation.

One of the most direct benefits of members is the convenience of using the Supporters' Club coaches which we are endeavouring to run to all away matches this season.

So determined are we to keep up this service—even in these days of hard times for the team—that one of our committee members financed the coach to Rochdale recently out of his own pocket.

He firmly believed that if this service was allowed to slide the Supporters' Club would be slipping up in its duty to the fans, and expressed the view that sooner or later, when Oldham fans are clamouring to get to away matches, the effort and expense put in now would more than prove worthwhile in the end.
