CLUB NOTES

There is a warm welcome today for Oldham—a team we have not seen at Wigginton Road too often in recent seasons—and for our own Harry Whitaker. Oldham, like ourselves, are in the lower reaches of the league table; so both teams will be keen to pick up maximum points from today's meeting.

Recent results seem to suggest that we have found the right track to follow, but although there is glamour—and some achievement—in beating the Kiwis and then making progress in the Players No. 6 Competition, it is in bread-and-butter fixtures like todays that we must hit winning ways.

The result against Swinton justified our hopes that we may have turned the corner: today and the league matches to come will give us the proof.

Some of the big plans in store for York RLFC were made known at the shareholders' annual meeting this week. Of necessity, some of the news had to be very guarded; but there could be vital progress in the plans for a new social club in the very near future.

More and more Rugby League clubs are coming to the conclusion that it is on the social side that big steps can be made—with benefits rubbing off on to the playing side. A successful social club would help provide the finance without which clubs like ours are finding themselves very restricted in the search for new players or a player-coach. It is one thing to ear-mark men it can be an entirely different matter landing them.

Today's interval match in the Jack Wood Memorial Trophy is between teams from Derwent and Burnholme schools.

Plus, a second competition — for the 16 clubs knocked out in the first round. For this, £1,000 is shared by the top 4 winning clubs that score the most tries. Which is sure to make for fast, open football!

N°6 Player of the Year Awards — will continue, but under different rules. 6 votes will be cast by each club for players other than their own, with £500 in prize money shared amongst the top three lucky lads. See if *your* choice is the same as your club's!
